## 2. OPERATIONS

During FY2015-16, the global consumer markets were characterized by a combination of steady US, weakening China and uncertain Europe. Consumer demand in the US continued to be buoyant based on net job additions and continuing recovery in house prices. Europe continues to grapple with multiple issues surrounding EU's strength and stability – while the year 2015 started with promise of improved consumer outlook, the actual performance in several large markets

like France, and perceived impact of Chinese meltdown dragged down the outlook by second half of the year. In India, despite the weak monsoons and continuing challenges faced by the government on policy front, the economy delivered a healthy growth of 7.5% with promise of increasing momentum for the following year. The eagerly awaited GST did not get passed for implementation by April 2016. Crude oil and commodity prices continued to be soft helping the inflation to be under control and enabling RBI continued to ease up the interest rates and money supply. Consumer spending outlook started to look more positive as the year progressed.

In this backdrop, your company closed the financial year 2015-16 with 8% growth in Revenue and 5% growth in the Operating Earnings before Interest, Depreciation and Taxes (EBITDA). Profit before Tax (PBT) grew by 5% over the previous year. Revenue growth was powered by 16% growth in Brand & Retail Segment.

A detailed analysis of the financial results is given in the Management Discussion and Analysis Report which forms part of this report.

## 3. DIVIDEND

Your Directors have recommended a dividend of 24% i.e. ₹2.40 per equity share of ₹10 each for the year ended on 31<sup>st</sup> March, 2016. The dividend, if approved by the members, would involve a cash outflow of ₹74.60 crores (inclusive of tax on dividend).

## 4. TRANSFER TO RESERVES

During the year under review, the Company has not transferred any amount to reserves.

## 5. SHARE CAPITAL

The paid up equity share capital of the Company as on March 31, 2016 was ₹258.24 crores. During the year under review, the Company has not issued shares with differential voting rights and sweat equity shares.

## 6. EMPLOYEE STOCK OPTION SCHEME (ESOS)

The Company has instituted the Employees Stock Option Scheme (ESOS) to grant equity based incentives to certain eligible employees and directors of the Company and its subsidiary companies. During the year under review, the Company has not granted any stock options. Details of the shares issued under Employee Stock Option Scheme (ESOS) and also the disclosures in compliance with Section 62 of the Companies Act, 2013 and Rule 12 of Companies (Share Capital and Debentures) Rules, 2014 and the Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014 are set out in Annexure -A to this report.

## 7. DISCLOSURE UNDER SECTION 67 (3) (C) OF THE COMPANIES ACT, 2013

No disclosure is required under section 67 (3) (c) of the Companies Act, 2013 read with Rule 16(4) of Companies (Share Capital and Debentures) Rules, 2014, in respect of voting rights not exercised directly by the employees of the Company as the provisions of the said section are not applicable.

## 8. FINANCE

## 11. CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

Arvind Limited has been actively undertaking “Corporate Social Responsibility” (CSR) initiatives. The initiatives are driven through two Trusts - Strategic Help Alliance for Relief to Distressed Areas - SHARDA Trust undertakes CSR programs in urban areas and Narottam Lalbhai Rural Development Fund (NLRDF) works for development in rural areas.

During 2015- 16, the Company established Arvind Foundation, a Section 8 Company, to act as the umbrella organization to streamline all our CSR efforts.

### Initiatives undertaken by SHARDA Trust:

SHARDA Trust has been providing educational support to the students of Municipal schools in Ahmedabad since 2006. It is a comprehensive education program impacting the students of class 5 - 12 and college students to pursuing professional degrees. The program aims at increasing the attendance, academic performance, increase retention and bring about positive behavioral changes in students. The impact assessment study conducted in 2015-16 reiterates that we have been successful in achieving our objectives. We plan to increase the reach from current about 1300 to 6600 students by the year 2020.

SHARDA Trust also conducted personality development programs (Basic English, Computer familiarization and musical instruments) for the youth of Ahmedabad with an objective to enhance their employability. In 2015-16, 169 youth participated in our programs.

Last year SHARDA Trust signed an MOU with Swasth India to set up Primary Health Centres in Ahmedabad. These centres will be one stop solutions for all primary medical needs of people. We plan to set up 3 primary health centres in various parts of Ahmedabad during 2016-17 and after testing it for a year or so, if successful, we plan to set up more centres across urban and rural set up.

In 2015-16, we also completed a Need Assessment Study of 6 villages in Santej Taluka of Gandhinagar and Dholka Taluka of Ahmedabad district using various participatory rural appraisal tools. A plan is being made to initiate appropriate interventions during 2016-17.

### Initiatives undertaken by NLRDF:

NLRDF is currently working in 5 districts of Gujarat and Akola district of Maharashtra.

NLRDF conducted awareness programs on HIV/AIDS and sexually transmitted diseases for 8480 industrial workers in Dahej industrial area of Bharuch district. 209 health camps were organized which benefitted 4873 workers. External evaluation of these two programs has rated our performance as very good.

NLRDF organized 10 entrepreneurship trainings for marginalised women (250 widows) of Ahmedabad and Surat and motivated them to set up enterprises for livelihood generation.

NLRDF implemented a program to promote maternal and infant health in 136 villages of Khedbrahma in Sabarkantha district in Gujarat. 2034 pregnant women, 2672 lactating women and 2113 under nourished children were covered under various services.

NLRDF built sanitation blocks for school girls in Village Pratappura of Kalol Taluka. The sanitation blocks benefit 120 girl students.

NLRDF conducted free of cost coaching class and provided library for preparation of Competitive examination for Government job for schedule cast and schedule tribe students in the campus of Sarva Vidyalaya Education Campus, Kadi, Dist. Mehsana. 120 students have benefitted from the program during last year.

NLRDF conducted an Entrepreneurship Development Program on Food Processing Industries benefitting 30 entrepreneurs. After 3 months, 21 participants have started their business related to food processing.

Various workshops were organized in the field of animal husbandry and organic farming for the benefit of the farmer community. 147 participants benefitted from these workshops.

### National Heritage, Art and Culture:

The company decided to support a project titled “Promotion of Indology.” The project is undertaken by the Lalbhai Dalpatbhai Bhartiya Sanskriti Vidyamandir (LDHSV) that has a credible history of working in this field. The project aims to work on maintenance and restoration of old manuscripts as well as education and research in the field of Indology. As it is a continuing effort, it requires constant funding, an additional corpus grant of ₹ 1.00 Crore was given to LDHSV. This now makes the Arvind corpus grant to LDHSV for the said project to ₹ 2.00 Crores as during 2014-15 too a corpus grant of ₹ 1.0 Crore was given.

For example: for setting up primary health centres, we have partnered with Swasth India Foundation.

#### **Following initiatives are slated to continue, expand and few at the initiation stage:**

The ongoing Education Support Program GYANDA is ready for expansion from present about 1300 students to about 6600 students by 2020. As expansion is on card, to track the attendance and performance large number of students, a software program is being developed.

New Initiative of setting up Primary Health Centre titled "Arvind Medical Centre" in Ahmedabad in partnership with Swasth India Foundation has been planned. 3 Primary Health Centres will be set up during 2016-17. Upon testing it for a year, more centres across urban and rural landscape will be set up.

The company had supported Lalbhai Dalpatbhai Bhartiya Sanskriti Vidyamandir (LDBSV) for a project of "Promotion of Indology" through a corpus grant during 2014-15. The company decided to support the project for another year and continued with the corpus grant of ₹ 1.0 Crore during 2015-16 making it a total corpus grant of ₹ 2.00 Crores.

The company plans to start up rural development initiatives in villages around our factory premises in Santej based on the findings of the need assessment study. We are in the process of designing meaningful initiatives which will be undertaken during 2016-17.

Another activity on the planning stage is to undertake promotion of sanitation across rural and urban set ups under CSR and Swachh Bharat Initiative. To begin with, we plan to undertake this initiative in and around villages of our factory premises in Santej.

The company is committed to put in place a strategy to ensure financial sustainability to all our CSR initiatives. The company plans to achieve this through creation of a large corpus fund over a period of time. Our CSR Policy has envisaged continuously investing in a corpus fund. During 2015-16, ₹ 5.14 crores was invested in the corpus of Arvind Foundation.

A brief account of the projects and programs supported by the company during 2015-16, is listed in Section 05:00 of this report in the format given by the Ministry of Corporate Affairs.

### Section 2

#### **Composition of the CSR Committee**

The Arvind Limited has set up Corporate Social Responsibility Committee (CSR Committee) as per the requirement of the Companies Act. The members of the CSR Committee are:

- (i) Mr. Sanjay Lalbhai (Chairman and Managing Director)
- (ii) Mr. Punit Lalbhai (Executive Director)
- (iii) Mr. Jayesh Shah (Whole time Director and CFO)
- (iv) Mr. Bakul Dholakia (Independent Director)

### Section 3

#### **Average net profit of the company for last three financial years**

The average net profit of the company is ₹ 363 Crores.

## Section 4

### Prescribed CSR Expenditure (two per cent. of the amount as in Section 3:00 above)

The prescribed CSR Spend for Arvind Limited for the year 2014-15 is ₹ 7.27 Crores.

## Section 5

### SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH 2016

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To  
The Members  
Arvind Limited  
Naroda Road  
Ahmedabad-380025

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Arvind Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by Arvind Limited (“the Company”) for the financial year ended on 31<sup>st</sup> March 2016 according to the provisions of:
  - (i) The Companies Act, 2013 (“the Act”) and the rules made thereunder;
  - (ii) The Securities Contracts (Regulation) Act, 1956 (“SCRA”) and the rules made thereunder;
  - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
  - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.
2. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”):
  - (i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (ii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 (upto 14<sup>th</sup> May, 2015) and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (effective 15<sup>th</sup> May, 2015);
  - (iii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - (iv) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014;
  - (v) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable as the Company did not issue any such securities during the financial year)**
  - (vi) The Securities and Exchange Board of India (Registrars to Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable as the Company is not registered as Registrar and Transfer Agents with SEBI)**
  - (vii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
  - (viii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. **(Not Applicable as the Company has not bought back any of the securities during the financial year)**
3. We have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations as applicable to the Company.
4. The Company has complied with following specific laws applicable to the Company:
  - (i) Explosives Act, 1884
  - (ii) Electricity Act, 2003
  - (iii) Public Liability Insurance Act, 1991
  - (iv) Information Technology Act, 2000
  - (v) Essential Commodities Act, 1955
  - (vi) Textile Committee Act, 1963
  - (vii) Textile (Development & Regulation) Order, 2001
  - (viii) Textile (Consumer Protection) Regulations, 1988

5. We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India; **(As applicable for the period under audit)**
- (ii) The Listing Agreements entered into by the Company with BSE Limited, National Stock Exchange of India Limited and Ahmedabad Stock Exchange Limited for the period upto 30<sup>th</sup> November 2015;
- (iii) The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited pursuant to Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 for the period commencing 1<sup>st</sup> December 2015 to 31<sup>st</sup> March 2016;

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

#### **We further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**We further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**We further report that** during the audit period there were no specific events/actions having a major bearing on the company's affairs except the following:

1. Demerger and transfer of Real Estate Undertaking of the Company to Arvind Infrastructure Limited and Restructuring the Share Capital of the Company pursuant to order dated 30<sup>th</sup> March 2015 passed by the High Court of Gujarat at Ahmedabad.
2. Delisting of shares from the Ahmedabad Stock Exchange Limited w.e.f. 23<sup>rd</sup> December 2015.

## Annexure – D to the Directors’ Report

**Information on Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo stipulated under Section 134(3) (m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Rules, 2014.**

### A. CONSERVATION OF ENERGY :

#### 1. Energy Conservation Measures taken:

##### Naroda Road Unit - Electricity Conservation:

No.	Initiatives	Energy savings (Kwh/Day)
1.	125 LED streetlights in place of HPMV lights	200 Kwh/Day
2.	Self-driven energy-efficient turbo ventilation exhaust fans instead of electrical operated options	1080 Kwh/Day
3.	VFD system for cooling tower motor and energy efficient pump for water supply	450 Kwh/Day
4.	VFD at microtech boiler	600 Kwh/Day
5.	1200 tube lights replaced by energy efficient LED lights at Naroda plant	500 Kwh/Day

Constant efforts in continuing all previous conservation measures and increasing awareness of energy management amongst employees have continued which should enable further savings going forward.

##### Naroda Road Unit (Naroda), Santej Units (Santej), Ankur Textiles (AT) and Arvind Intex (AI)

- Proper preventive maintenance of all machines including utilities. (Naroda, Santej, AT & AI)
- Optimum utilization of Air Compressors by minimizing air leakage in the lines and machines. (Naroda & Santej)
- Economical operation of humidification plants looking to the atmospheric condition in all seasons which reduces the electrical energy units. (Naroda, Santej, AT & AI)
- Conversion of old technology (DC) in baby rope dyeing / certain finishing machines to new technology (AC) to reduce energy consumption as well as improve productivity. (Naroda & Santej)
- Installation of variable frequency drives on pumps. (Naroda & Santej)
- Optimum utilization of cooling towers at Compressors by installation of VFD and close monitoring. (Naroda & Santej)
- Monitoring of power consumption and production data to sustain lowest possible kwh/kg through minimum operation of machines and aligning maintenance schedule and production program. (Naroda, Santej, AT & AI)
- Installation of power capacitors in electrical distribution network for power factor control and subsequent rebates obtained from grid supplier. (Naroda, Santej & AI)
- Installation of energy efficient motors for Autocoro machine and in fan motors. (Naroda, Santej & AI)
- Diverted in open access power and took benefit of low cost. (Naroda, Santej & AI)
- Replacement of old screw air compressor with energy efficient centrifugal air compressor. (Santej)
- Installation of small size air compressor for seal air requirement of centrifugal compressors. (Santej)
- Continuous improvement in power factor to reduce the maximum demand & maximum demand charge. (Santej)
- Installation of pneumatic no loss drain valves in place of manual drain valves and collection of drain water to cooling tower for better effectiveness. (Santej)
- Replacement of Mercury lamps in street light to LED lamps. (Santej)
- Reduction in air pressure through pressure reducing valve for cleaning air application which results into drastic reduction in energy. (Santej)
- Installation of Loom sphere concentrated humidification plant in place of conventional plant. (Santej)
- Maintained/provided insulation to hot/cold pipelines effectively in the entire plant. (Santej)
- Optimum utilization of street lighting through Lux sensor. (Santej)
- All energy conservation measures taken previously are being continued. (Santej)
- Carried out energy audit by Kirloskar Pumps Ltd. and Forbes Marshall for continuous improvement. (Santej)
- Installation of capacitors to optimize power factor. (Santej)
- Prevention of Steam, Water & Air leakage by on line & offline method. (Santej)
- Selection of New Humidification Plants with variable frequency drives air washer pump for smooth operation and constant humidity in the new classical weaving. (Santej)

25. Installation of self-driven turbo ventilation exhaust fans instead of electrical operated exhaust fans. (Santej)
26. Approx. 5000 tube lights are replaced by energy efficient LED Lights at Santej.
27. Maximum demand controlled by installing controller and saved penalty charges. (Santej)
28. Installation of high frequency ballast in lighting for saving of power and for higher lumen output. (Santej & AI)
29. Installation of new meters and ct pt to fulfill the requirement for open access power. (Santej & AI)
30. Use of 240 nos. of LED tube fittings in place of conventional tube light fittings resulted in saving of 75000 Units per year. (AT)
31. Installation of Effimax unit on 8 Mt steam boiler resulted in saving of 1.5 Mt of coal per day. (AT)
32. Installation of 13 nos. variable frequency drives in Weaving H plants resulted in saving of 625 Unit per day. (AT)
33. Change of location of compressor succession filters of air compressor filters to reduce specific power consumption. (AT)
34. Installation of pressure reducing valve in new cleaning airline and thereby controlled air pressure supply. (AT)
35. Installation of pressure reducing valve on steam line of 6 nos. of Comby Jigger Machines and reduced steam consumption by 8% of those machines. (AT)
36. Old DG set cooling tower water line modification done & it is prepared for IHE - 5 Compressor Cooling Tower. (AI)
37. Maximum demand controlled by installing controller and saved penalty charges. (AI)
38. Monitoring airline leakages to reduce compressor working hour and to save power. (AT & AI)
39. Installation of timers in street lights for saving in power. (AT & AI)
40. Installation of inverter drives in spinning machines. (AI)
41. Regular checking and repairing of water leakages for reduction in energy consumption. (AI)
42. Replacement of existing fans by energy efficient fans in pneumatic fan section of ring frame machines. (AI)

#### **Water & Steam (Coal) Conservation:**

##### **Naroda Road Unit**

Water and steam (coal) conservation efforts at Arvind Denim have continued in various forms – these have helped drive both water usage and steam consumption down as well as improved the availability of water from careful harvesting. Some key actions are highlighted below:

No.	Initiatives	Savings (Ltr/Day)
1.	Steam condensate adopted to reduce water/steam consumption	50000 Ltr/Day
2.	Water reuse measures adopted to reduce water consumption on processing machines	90000 Ltr/Day
3.	Reuse of pre wetting tank water to washing tank (Rope Dyeing machine)	100000 Ltr/Day
4.	Reduced coal consumption in 2 FBC boiler by increasing efficiency	2.5 MT coal/day

##### **Naroda Road Unit (Naroda), Santej Units (Santej) and Ankur Textiles (AT)**

1. Reduction in steam consumption in yarn dyeing by reusing hot water into process. (Santej)
2. Water recycling in various areas adopted in order to reduce water consumption. (Santej & AT)
3. Installation and maintenance of float valves in open tank and cooling tower to stop the overflowing of water. (Naroda & Santej)
4. Almost 400 KL per day water is reused in processing area in shirting. (Santej)
5. Reuse of machine cooling water as hot process water. (Santej & AT)
6. Regular checking for wasteful use of water followed by remedial action. (Santej & AT)
7. Steam condensate recycling in various areas adopted in order to reduce water and steam consumption. (Santej & AT)
8. Effective operation of condensate and cooling recovery system. (Santej)
9. In view of saving of natural resources, we started Sewage Treatment Plant at Ankur and as on today we take 1100 KL raw sewage from AMC, treat it and use it as process water. (AT)
10. By using dyes having higher exhaustion, effluent generation per mtr. of fabric is reduced from 16.5 ltr/mtr to 15.16 ltr/mtr. (AT)

## 2. Additional Investment and proposals if any, being implemented for reduction of consumption of energy:

### Naroda Road Unit

There are several new proposals in place to further reduce energy/water consumption as below:

#### Electricity

Title	Reduction of Power consumption
1	LED lights in place of CFL or incandescent lamps (3000 Nos)
2	LED lights in place of CFL or incandescent lamps (1000 Nos at DSSP)
3	Energy efficient motors in place of regular (IE3 in place of old)
4	Installation of new submersible pumps and VFD control systems for water delivery pumps
5	Renewable energy - Solar roof based systems for lighting (10 KW)
6	Elec. generation from steam pressure drop in boiler
7	Replacement of Air Lines with low friction air pipes

#### Water

Title	Reduction in water consumption
1	Recycling rubber and cooling cylinder RDP
2	Sucker Muller Dye house water recycling

#### Steam conservation

Title	Reduction in steam/coal consumption
1	Insulation paint on hot water/steam lines and sides of dry cans
2	Condensate recycling to boiler
3	Renewable energy - Solar water heating systems for NLRC
4	Renewable energy - Solar pre heating for boiler
5	Compressor waste heat recovery to heat water
6	Water-Water HX for CDR and Impecta
7	Install water preheater system at Thermopack boiler & use hot water at boiler feed

#### Other projects

Title	Metering
1	Central data monitoring for steam/water/energy

#### Santej Units (Santej), Ankur Textiles (AT) and Arvind Intex (AI)

1. Installation of additional capacitors for further improvement in power at Santej Units.
2. Replacement of faulty steam trap with right sized steam trap. (Santej)
3. Installation of VFD in Auto coners & rewinding machine. (Santej & AT)
4. Right capacity pumps to be installed for catering shirting water demand. (Santej)
5. Installation of VFD in pressure dryers in Yarn Dyeing. (Santej)
6. Erection/installation of Sewage Treatment Plant. (AT)
7. Installation of LED fittings, invertors, replacement of Thermodynamic Steam Traps by Float Traps and use of high efficient submersible pumps in place of low efficient pumps. (AT)
8. Replacement of old humidification pump by new energy efficient pump. (AI)
9. Modification of RS1 waste system and thereby reduction in power consumption. (AI)
10. Installation of Voltage Stabilizer in lighting circuit to reduce power consumption. (AI)
11. Installation of LED tube lights in departments. (Santej & AI)
12. Energy Audit for different manufacturing units to minimize the wasteful use of power. (AI)

**3. Impact of the measures at (a) and (b) above for reduction of energy consumption and consequent impact on the cost of production of goods :**

Better Efficiency, Optimum Fuel-Utilization and available Heat Energy, Reduction in Energy Bill, Reduction in Down Time, Higher Productivity and Reduction in Cost of Production. These measures will also help to create a better environment and result in water conservation.

**B. TECHNOLOGY ABSORPTION :**

**1. Efforts made in technology absorption**

**RESEARCH AND DEVELOPMENT (R&D)**

**I. Specific areas in which R & D carried out by the Company:**

**Denim Business-Naroda Road**

- New technology intelligence added to infrastructure: As part of Co-creation strategy new technology added to Arvind Denim Lab. Yilmak (Turkey) make washing machine and Dryer added to lab. With this Metod (Turkey) make 3D machine, Fabcare make brushing dummy and Mectek (Italy) make Curing oven added. To strengthen the Corduroy Denim Concept one more Corduroy Cutting machine added. The old technology of Dual Core spinning is upgraded with more scientific controls to make high quality performance yarn. In Warping and Dyeing area new warping machine added with upgraded technology and more number of end capacity. In finishing area new technology of Stable Foam coating added to give high end fashion products. A Goller made new fabric preparatory machine added to carry out preparatory process of outsourced grey fabric for Neo Technology. A very scientific new sanforize machine make of Monforts with double rubber cylinder added which runs at double speed then conventional machines.
- Innovations by internal R & D: New dimension to Denim given with addition of new concepts of Bi-stretch denim with Selvedge, Warp stretch men's and women's denims. Lathery denim made with stable foam coating, double cloth with backside checks and stripes, Indigo lock prints, Stay blue and stay black with reactive dyeing, bright shades with new dyes other than Indigo and Sulphur, knit weave products for top and bottom weights, new blends of Modal – Cotton, Wool – Cotton and Tencel – Cotton introduced to Denim Family.
- Innovation based on new raw material by Business Partners: High performing fibers like Dyneema, Cordura (Nylon 66) Filaments, Thermolite Infra-Red fiber technology tested in Denim. A break through innovation done with Recycling of used garments and cotton fiber extraction and reuse in ring spinning to make Sustainable denim.

**Shirting Business- Santej**

The company has been carrying out In-house Research & Development activities in the area of product development, process development, production process development, energy conservation and cost reduction, which are as under:

- Sustainable finish:
  - Natural finish launched & Ecrú process developed, resultant saving of various pretreatment process and thus conserved energy.
  - Bioscouring of Viscose and Its blend fabric –
    - Conservation of water, steam & other utilities along with improved product quality.
  - Zero Detergent finish-
    - 100% without detergent washing.
    - Reduces numbers of washing cycles and thus water conservation.
    - Quick drying which requires less energy to dry.
    - Using less energy and less resources, reducing carbon footprint
  - Formaldehyde free Resin finish for wrinkle free.
  - Natural softener from plant extract.
  - Application of pigment through foam coating.
- Sustainable fabric from Post consumer used PET– with use of Recycle Polyester
  - Energy saving- Recycling 1 ton of PET saves 4.7 barrels of oil equivalent.
  - Water usage-considerable reduction in water consumption (86%).
  - PET made using the ReNEW process saves the equivalent fuel consumed in driving a car 17 kms or lighting a 20W bulb for 210 hours.
- Replacement of Corrosive conventional Indigo discharge printing technology with noncorrosive printing technology.
- Manufacturing of coloured cotton based fabric.

- Automatic colour dispensing system imported for knitting and bottom division.
- Development of performance finishes through paste coating technology.
- Development of Fabrics with DuPont Sorona Fibres which contains 37 % Renewably sourced polymer content by weight & Reduces 63 % CO<sub>2</sub> emission over the production of an equal amount of petrochemical-based Nylon 6 focusing more towards sustainability.
- Leather, Wax, Pearl and Hunter coating through paste coating and pigment coating through foam coating, which uses very less amount of water.
- Manufacturing knitted fabric range look like Denim.
- Improvement on stretch property in knitted fabric range to enhancement in comfort level of Knit fabric.

The company promotes various sustainable fabrics made with sustainable fibers like Tencel, modal, Bemberg

- Route cause analysis for hazardous positive substances in after treated water as per ZDHC, MRSL & REACH guidelines.
- Localized spill kits are prepared and put in all chemical stores in Arvind Santej facility.
- Modal and its blend knitted fabric for under garment application.
- Using liquid Indigo dyes instead of conventional powder indigo dyes.
- Functional Finishes for Traveller Shirt series developed like Ultra fresh (LA+UV +Antimicrobial + Teflon +Prepress), Stay smart (LA+UV +Antimicrobial + Prepress + Moisture Management).
- Installed boilers with ESP (Electrostatic Plating) to control particulate matter emissions.
- Replacement in 150 W Mercury lamp with 65 W LED lamps. Energy Saving - 85 watts Per lamps (Total 350) & More Lumens & cleaner Light.
- Installation of Energy efficient Centrifugal Air Compressor vis-à-vis screw compressor. Sp. Power Consumption for Screw Compressor = 210 Watts/CFM vis-à-vis Installed C700 & C1000 Centrifugal Compressors of 165 watts/CFM.
- Facility in Santej is Zero discharge plant, recycling 98% of the process water.
- Conventional Type of H Plant has been replaced with Fog type of H Plant. Power Consumption before Modification = 1200 kWh/day, Power Consumption after Modification = 600 kWh/day.

#### **Advanced Materials Division - Santej**

- Fire retardant fabrics: Use of inherent FR denim fibres for making inherent FR Denim and also use of low GSM with high calorific value fabric.
- Solid/Liquid and Air Filtration: Use of Polypropylene, PTFE membrane, PTFE fibers and fibre blends to meet 20 mg/mt<sub>3</sub> and below for liquid and gas filtration in various applications.
- Composites: Developing newer light weight material using PET phenolic & epoxy resin along with glass fabric to be used for electrical and construction industries to replace traditional metals.
- Coated Materials: Use of acrylic, polyurethane, PVC coating on cotton, poly- cotton, nylon, polyester fabric for making canvas, awning fabric and tent. Acrylic and polyurethane polymer have excellent function of water proofing for tent and awning application.

#### **Woven Business-Santej-ETP**

- New technology intelligence added to infrastructure: MVRE (Mechanical Vapour Recompression Evaporation) Plants had been Installed in Effluent Recycling System for low cost evaporation and completing the ZLD system. This system is recovering water as well as mixed salt in pure form which is used into dyeing of yarn and fabric against glauber salt and vacuum salt.
- MVRE-4 based on PTFE MED system is installed for this. It is running successfully.
- Another new technology we added is Electro Chemical Oxidation for ETP Treatment. This technology is futuristic technology. It is simple and eco-friendly. Less sludge generation will be done by this technology with better energy efficiency.
- We are also going to re-use the sewage of Gandhinagar City against bore well water for water conservation and Plant is going to be installed at the cost of 16.2 Crores of 4 MLD Capacity.

## **II. Benefits derived as a result of the above R & D:**

Technology up-gradation, quality improvement, value engineering, pollution control, energy conservation, import substitution, de-risking the business, organization brand building, longer business projections, profitable and competitive business, sustainability etc.

## **III. Future plan of Action :**

- Focus on performance based technologies and products.
- Focus on sustainable resources and green technologies.
- Use of new sustainable dyes, chemicals and fibers, newer finishes developments with coating, brushing, calendaring and utilization of newer chemicals.

- Business partnership with innovation oriented supply chain partners for joint development program.
- New technology adoption for quality improvement, cost reduction and de-risking the business.
- Action plan to improve chemical management performance.
- Formaldehyde free printing package.
- Nickel free printing operation.
- Shifting to C6 to CO chemistry product in repellent based finishes.
- Dope dyed polyester in mélange blend with cotton knitted fabric.
- Manufacturing Knitted fabric with Sorona polyester with Dupont.
- Implementation of HIGGS index version 2.0 & validation by third party.
- Formation of a dedicated sustainability team with expertise & experience in relevant areas.

#### IV. Expenditure on R & D:

The Company has separate In-House Research & Development Centre at Naroda and Santej locations. Both the Centres are involved into new product development and new process development etc. and are fully recognized and approved by the Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India. The details of Capital and Revenue Expenditure incurred on Research and Development by both the Centres are as under:

## 2. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION:

### I. Efforts, in brief, made towards technology absorption, adaptation and innovation:

#### Denim Business-Naroda Road

The Denim business environment is becoming more and more challenging and competitive and thirst for innovation is increasing. Awareness of customer on sustainability, raw material and change of fashion trends and innovation offered, creates new dimension of denim business. We follow strategy of Design, Innovation and Sustainability and more research is being done in this dimension to keep business predictable, sustainable and profitable and to de-risk our product portfolio.

- As a part of strategy, Sustainability is always on top of any development. Successful trials done to make denim fabric using ring yarn from the cotton fiber extracted out of used denim garments. A full proof chain is established to get the fiber from used garments from certified and reliable sources. Till date the technology set to make open end yarns. These fiber and yarn are certified by Global Recycled Standard. The sources are certified by Control Union. These category products were launched with “Renaissance” branding.
- The Dual Core Ring Spinning Technology upgraded with scientific controls to make very high quality yarns. These yarns help to make very high stretch denim fabrics that retain shapes after multiple stretch.
- Gollar make preparatory machine added to finishing area. The machine is custom designed to perform different processes like desizing, scouring, bleaching, single box causticization, reactive dyeing, sulphur dyeing. This machine has added flexibility to system to carry out multiple finishes for out sourced fabric. Combination of this technology with existing Neo Technology helps to create new categories for men’s and women’s top and bottom wt.
- With the same technology reactive dyed fabrics added to the basket to give Stay Blue and Stay Black. The denim can be washed industrially and after that it does not fade to give permanent look un-like conventional denim which gets faded on long term usage.
- Denim is changing dimensions with addition of different class of fabric with Indigo sensibility. Woven knit like fabrics are in trend in Indian and International market. “Regalia” category added to product basket which satisfies the need of Indigo knitted T shirt and top weights.
- Water repellent denim developed with ecofriendly Per fluorinated chemicals free chemistry. This satisfies the need of fashion denim with performance.

- New blends of Modal – Cotton introduced to product basket. This fabric due to its inherent property of softness gives very good hand feel to women’s high stretch skinny garments. Wool-Cotton blend is successfully tested for Denim to create fabric with warm retention for cold climates.
- New dimensions to authentic Selvedge Denim with the current trend, new bi-stretch and warp stretch selvedge denim made. These fabrics are highly flexible and give very good comfort on wearing due to four way stretch. Also it satisfies the fashion need with authentic selvedge.
- Increase of good business relationship and to co-create innovation, a world class washing development lab is created. This infrastructure has opened new ways to work very closely with designers of top brands. The lab is equipped with the best technology available for washing.

### Shirting Business- Santej

- Development of fabrics with Recycle poly, Scafe, Celliant, BCI, Tencel, Sorona, Bemberg etc. focusing towards sustainability.
- Development of fabric with Coolmax, Thermolite and all season performance fiber.
- Developing Bi-Stretch and super stretch products.
- Developing finer count products.
- Development of Sustainable & eco-friendly substitutes of special finishes like flame retardant, oil-water repellent, resin application etc.

### Advanced Materials Division - Santej

- Development of woven and non-woven filtration fabrics for chemical, pharmaceutical, mining, power, cement and steel industries.
  - State of art warping, weaving and processing facility to develop these fabrics. Arvind’s technical marketing and product development team works with customers to provide complete solution. Arvind has a joint venture with Japanese company to manufacture nonwoven fabrics for hot-gas and liquid filtration.
  - Have developed woven fabrics for Oil and water filtration.
  - Have developed Nonwoven fabrics for meeting pollution control norms of <50 mg/cu.M emission.
- Development of Fire retardant fabrics and garments for steel, safety services and metal plants.
  - Arvind leverages its spinning, weaving, processing and garmenting expertise to supply fabrics and garment in this segment.
  - Have developed fabrics which are metal splash resistant.
- Development of composites for infrastructure application is being conducted.
- Have developed polyester based fabrics for conveyor belting application. These fabrics are used to make belts for mining application.

## II. Benefits derived as a result of the above efforts :

Product development, value addition, cost reduction, sustainable and environment friendly products and entry into big brands.

## III. Information regarding technology imported during the three years :

# CORPORATE GOVERNANCE REPORT

## 1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate governance at Arvind is a value-based framework to manage our Company affairs in a fair and transparent manner. As a responsible corporation, we use this framework to maintain accountability in all our affairs and employ democratic and open processes. We have evolved guidelines and best practices over the years to ensure timely and accurate disclosure of information regarding our financials, performance, leadership and governance of the Company.

### Our corporate governance philosophy is based on the following principles:

- Satisfy the spirit of the law and not just the letter of the law. Corporate governance standards should go beyond the law.
- Be transparent and maintain a high degree of disclosure levels.
- Make a clear distinction between personal conveniences and corporate resources.
- Communicate externally, in a truthful manner, about how the Company is run internally.
- Have a simple and transparent corporate structure driven solely by business needs.
- The Management is the trustee of the shareholders' capital and not the owner.

The Board of Directors ('the Board') is at the core of our corporate governance practice and oversees how the Management serves and protects the long-term interests of all our stakeholders. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance. The majority of our Board, 6 out of 10, are independent members. Given below is the report on Corporate Governance at Arvind.

## 2. BOARD OF DIRECTORS

### 2.1 Composition of the Board

**Ms. RENUKA RAMNATH (DIN: 00147182)**  
**(Independent Director)**

Ms. Renuka Ramnath is the Founder, Managing Director & CEO of Multiples Alternate Asset Management which manages circa \$800 million of Indian and International capital.

In India, Private Equity ('PE') funds were typically set-up by financial institutions. Ms. Renuka Ramnath is one of the earliest PE professionals in India to set the trend to establish an independent private equity fund when she founded Multiples in 2009. Multiples is a sector agnostic private equity fund focused on growth and buy-outs in Indian companies. Several global pension funds across Europe, US and Asia along with seven Indian Public Sector Banks and LIC have committed capital to Multiples.

Today, Multiples has the distinction of being one the select Independent private equity platforms in India to be backed by Institutional investors both Indian as well as International.

In her new avatar, Ms. Renuka Ramnath looks to bring together her tremendous experience, long-standing credibility and enormous relationships to build Multiples as a platform to channelise long-term capital to create valuable enterprises and successful entrepreneurs. She draws motivation from the fact that supporting entrepreneurs to build sustainable businesses has the potential to generate employment, to create ripple effects in the Indian economy and to facilitate the greater process of nation building.

**Pioneer in Indian Private Equity-2000-2009**

Ms. Renuka Ramnath took over the reins of ICICI Venture (a subsidiary of ICICI Bank) when it managed sub \$70 mm of largely proprietary capital. In a span of less than 10 years, she led ICICI Venture to become India's largest Private Equity Fund managing over \$ 2 billion of third party capital.

The transformation of ICICI Venture from a bank's investment arm to a traditional private equity fund managing substantial amounts of third party capital is unique in many ways. Ms. Renuka Ramnath convinced Indian Banks to allocate capital to private equity for the first time – thus opening up a new LP community in India.

Similarly, Ms. Renuka Ramnath successfully secured commitments from global LP community to ICICI Venture. Resultantly, all four funds raised by her from 2003-2008 have been the then largest domestic funds raised in the Indian market.

Ms. Renuka Ramnath has raised and managed third party funds adhering to highest standards of professionalism, governance and transparency. ICICI Venture was twice (in 2007 and 2008) given the award as Best Private Equity Firm in India by Private Equity International.

Having built a franchise backed by blue-chip investors, Ms. Renuka Ramnath led several pioneering transactions in the Indian private equity space including the first leveraged buy-out and the first management buy-out. She has the experience of having invested and divested across multiple economic cycles. One of her strengths has been the identification of sectors and opportunities ahead of the curve and the ability to develop innovative transaction structures.

Ms. Renuka Ramnath is today one of the few professionals in India to have a full-cycle private equity track record of raising, managing and returning cash with superior returns to investors. She has played a pivotal role in developing the PE market in India, having contributed to this evolution in many different ways over the last decade.

**Leading Business Woman in Financial Services – 1986-2000**

Ms. Renuka Ramnath joined the ICICI Group as a management trainee in 1986. In her career spanning nearly two and a half decades in the Indian financial sector, Ms. Renuka Ramnath has been involved with building several businesses from scratch in the ICICI Group which include Investment Banking, Structured Finance and e-Commerce in the 1990s and Private Equity in 2000; much before each of these terms became ubiquitous in Indian marketplace.

Time and again, Ms. Renuka Ramnath has demonstrated her ability to identify and conceptualize new business opportunities, create high quality teams and quickly build these businesses to scale. As a result, she has featured in many prestigious listings, including the Top 25 Most

Powerful Women in Business (Business Today, India), India's most Powerful CEO's (Economic Times), in the Top 25 Non Bank Women in Finance (US Banker's global list), in the Top 50 for Achievement in Business: Asia's Women in the Mix (Forbes) and in the Top 25 women in Asian asset management (Asian Investor).

Ms. Renuka Ramnath holds a Bachelor of Engineering from VJTI, University of Mumbai and an MBA from the University of Mumbai. She has also completed the AMP from the Harvard Business School.

Mr. Choksi contributed in the preparation of Kanga and Palkhivala's The Law and Practice of Income Tax (Eighth Edition) by late Mr. N.A. Palkhivala and Mr. B.A. Palkhivala.

**Mr. VALLABH BHANSHALI (DIN: 00184775)**  
**(Independent Director)**

Mr. Vallabh Bhanshali is a leading thinker speaker and a nationalist businessman of the country. A devoted Vipassana meditator, he is also the Chairman and co-founder of Enam Securities Pvt. Ltd. - a very reputed home grown investment Bank and investor group of India.

ENAM played a significant role in the development of India in the vital and vibrant period of 1985 -2010 building most of the leading business houses of the times such as Infosys, Reliance, Sterlite, Zee, Jindal, etc. and public/joint sector companies such as NTPC, PTC, PFC, PGCIL etc. ENAM had its sway through it's almost 25% share of the retail and institutional markets for IPOs and its pioneering equity research in the country. ENAM and its founders are amongst the most reputed and longest term investors in the country. In 2012 ENAM merged its investment banking business with Axis Bank, India's third largest private sector bank to become large shareholders of the bank.

A man of many parts Mr. Bhanshali has a degree in law and is also a Chartered Accountant.

Widely recognised across business, media, social and spiritual circles for his work, talks, interviews and innovative ideas, amongst the prominent positions held, he was the Chairman of the Global Vipassana Foundation; part of several government and capital market committees bringing major reforms to the country and a Trustee of the Bombay Stock Exchange. He is a founder director of FLAME— India's pioneering and innovative Liberal Arts University. He was awarded an honorary doctorate by the Bhagwan Mahavir University, Muradabad.

He most recently founded the Desh Apnayan Foundation to instill a sense of active citizenship and volunteerism amongst India's citizens starting with school and college going children. Some of the most elite schools of Mumbai have adopted the program which is poised for a national roll out in due course.

**Mr. SAMIR MEHTA (DIN: 00061903)**  
**(Independent Director)**

Mr. Samir Mehta, 52, is the Vice Chairman of the USD 2.75 billion Torrent Group and Chairman of Torrent Pharma. A B-School grad, Mr. Mehta has hands-on exposure and experience in the nuances of business and management. Torrent Group is being ably guided by Mr. Mehta through his analytical and professional approach. He has been providing strong strategic direction to all the business units of the Group.

Under his leadership, Torrent Pharma took various strategic initiatives including forays into new therapies and geographies, creating

resources to match the exacting demands of markets, making Torrentone of India's fastest growing pharma majors. It has established a strong presence in the cardio vascular, neuropsychiatry, diabetology, gastroenterology segments and has also ventured into new segments like pain management, dermatology, gynecology, oncology and nephrology. Through acquisitions, Torrent has strengthened its position in the nutraceuticals, women healthcare and dermatology segments.

Mr. Mehta can be rightfully credited for establishing Torrent Pharma's strong pan-global presence, especially through its subsidiaries in the US, Germany and Brazil. It is his strong belief, that the future of Indian pharma lies in its research capabilities, and this led Torrent to invest in bolstering its R&D infrastructure. Today, Torrent Pharma has state-of-the-art research and manufacturing facilities which are certified by the regulatory bodies of various international regulated and semi-regulated markets.

Likewise, Mr. Mehta evinces keen interest in Power business of the Group. Under his guidance, Torrent Power has systematically improved its performance on all efficiency parameters and today it ranks amongst the best run power utilities in the country. With an installed generation capacity of 3334 MW, Torrent Power is fully integrated across the power sector value chain. Its Transmission & Distribution (T&D) loss in its license areas is amongst the lowest in the country. Mr. Mehta's ability to take calculated risks enabled Torrent Power to expand its distribution operations in Maharashtra and Uttar Pradesh, and as a result, Torrent Power distributes power to over 3 million customers in the cities of Ahmedabad, Gandhinagar, Surat, Bhiwandi and Agra. Mr. Mehta's urge for efficacy and quality has led the Company to demonstrate excellent operational capabilities and high customer orientation, and this has won many accolades. The Company's success in Bhiwandi has become a case study in the annals of the Indian power sector - a model discussed in various forums.

Equally conscious of his responsibilities towards society, Mr. Mehta has always been the guiding force behind the Group's various environmental and CSR initiatives. All the units of Torrent Group have established extensive green covers in their vicinity. Environment conservation principles are incorporated at the design stage itself when new facilities are planned. The Group's power plants and pharma manufacturing facilities have obtained IMS certifications and have been conferred the Sword of Honor by British Safety Council for their exemplary performance in health and safety management.

The CSR activities of the Group primarily focus on education and healthcare. Educational initiatives include setting up schools, providing merit scholarships, and improving quality of education and infrastructure. On healthcare side, the Group has set up the U N Mehta Institute of Cardiology in Ahmedabad, a 450-bed hospital with state-of-the-art facilities, to provide quality treatment especially to the economically weaker strata of the society. A recently launched ambitious child healthcare program - REACH (Reach EACh CHild), aims to positively impact lives of 25,000+ children across India's rural belts over the next few years through concerted efforts of each member of the Torrent Group.

A fine blend of trained business acumen, managerial genius and rational exuberance, Mr. Mehta has helped shape various spheres of the Group through his contemporary outlook and innovative but realistic ideas. The Torrent Group, having a diverse workforce of nearly 20,000 employees with 900 internationally based, has earned a reputation for being employee-centric due to Mr. Mehta's practice of fairness and humaneness.

### OVERVIEW OF THE ECONOMY

In 2015, world economy grew at slower pace of 2.4 percent as against 2.6 percent in 2014. Overall growth in developing-countries slowed in 2015 to 4.3 percent, its weakest since 2009. In contrast to other developing countries, growth in India remained robust, buoyed by strong investor sentiment due to positive government initiatives and higher real incomes due to recent fall in oil prices. The Indian economy is trending as bright spot amidst a flat global economy. The economic growth accelerated to 7.5 percent in 2015-16, as compared to 7.2 percent in 2014-15. India’s foreign exchange reserves have touched highest ever level of about USD 350 billion. India is now ranked at the top among 12 Asia Pacific markets on the New World of Work (NWOW) index, as per Microsoft’s New World of Work Study.

Monetary and fiscal restraint, the fall in global crude oil prices and a moderation in food price inflation have contributed to a steep drop in inflation and a narrowing of current account and fiscal deficits.

Compared to most other major developing countries, India is well positioned to withstand near-term headwinds and volatility in global financial markets due to reduced external vulnerabilities, a strengthening domestic business cycle and a supportive policy environment. Progress on infrastructure improvements and government efforts to boost investments are expected to offset the impact of any tightening of borrowing conditions resulting from tighter U.S. monetary policy. Such investment will also lift potential growth over the medium term. On the other hand, although India has made good progress on reducing external vulnerabilities and strengthening the credibility of the macro policy framework, high levels of non performing loans in the banking sector, concentrated in construction, natural resource and infrastructure sectors, could impede a pickup in investment if left unaddressed.

One key critical legislative reforms - GST is still pending. Nevertheless, the government has made progress in key areas, such as energy and in November announced major reforms to liberalize FDI in several sectors. The central bank, meanwhile, has liberalized the medium-term framework for foreign portfolio investment, in an effort to increase its role in market development and for attracting long-term investors. Human skill development and infrastructure challenges remain in India, which the Government is willing to address.

While public investment and urban consumption were the major drivers of growth in FY 2015, a revival of private investment and rural consumption is critical if growth is to remain strong in FY 2016 and FY 2017, given the likely sluggish recovery in the advanced economies and the anemic outlook for global trade. A good monsoon, after 2 years of drought, will certainly be a key factor in uplifting the Indian Economy to a higher trajectory.

### INDIAN TEXTILE INDUSTRY

The fundamental strength of Indian Textile Industry flows from its strong production base of wide range of fibres/yarns - from natural fibres like cotton, jute, silk and wool to synthetic/man-made fibres like polyester, viscose, nylon and acrylic.

The Indian textile industry is likely to continue its strong growth, buoyed by both strong domestic consumption as well as export demand. It is currently estimated at around USD 108 billion and is expected to grow at a CAGR of 8.7 percent to reach USD 223 billion by 2021.

The industry is the second largest employer after agriculture, providing employment to over 45 million people directly and 60 million people indirectly. The Indian Textile Industry contributes approximately 5 percent to India’s gross domestic product (GDP) and 14 percent to overall Index of Industrial Production (IIP). India accounts for 63 percent of global market share of textiles and garments. India accounts for about 14 percent of world’s production of textile fibres and yarns.

Government has been overall supportive in encouraging textile industry in India. Textiles and garment industry has been included in list of 25 sectors of ‘Make in India’ initiative of the Government of India. With the right Government policies, we believe that the Indian Textile Industry is well poised to benefit from the large opportunity offered in the domestic and export market.

### COTTON

Cotton production is concentrated among only a few countries, with the world’s five largest cotton-producing countries forecast to produce nearly 80 percent of world production in 2015/16. India and China together account for more than 50 percent of global cotton production, but production in China is declining while increasing in India. In 2015/16, India is expected to surpass China as the world’s largest cotton producer for the first time on record, with a crop forecast at 29.5 million bales, pushing India’s share of world production to 26.5 percent. A good monsoon this year would add to increase in productivity.

(Source: IBEF)

In terms of the global trade picture, government policies in China and India will play a role in the outlook for the coming year. Domestically, under the current climate of higher market prices, an increase in Minimum Support Price (MSP) for the 2016 crop will cause a significant amount of India's production to move into government stocks. However, continued fall in the prices of polyester, lower global demand and offloading of inventories by China are likely to keep domestic cotton prices under pressure in 2016-17.

#### TEXTILE OUTLOOK

For several years, India has enjoyed the position of being the second largest producer exporter of textiles in the world. Statistics reveal that India has overtaken countries such as Italy, Germany and Bangladesh, to emerge as the second largest textile exporter, the largest being China. The good news for India is that due to rising labour costs, China is gradually losing its competitive edge. Other factors contributing to the downfall of China's textile exports include appreciating currency value, rising material & energy costs and a high focus on the domestic market. The decline in China's market share in textiles provides an opportunity for India to excel in this sector. Further, the abundant availability of raw materials, huge domestic market, improved economic conditions and Government initiatives such as "Make In India" are some of the advantages that fuel the solid performance of the Indian textile industry for export.

The Technology Upgradation Fund Scheme is anticipated to render a growth of 11.5 percent in cloth production, 15 percent in value exports and an additional employment of almost 15.81 million workers.

In spite of immense factors fuelling the growth of the Indian textile industry, there are certain challenges faced by the country in terms of scarcity of trained manpower, escalating energy costs, high transportation costs, obsolete labour laws, low level of technology and lack of economies of scale.

Irrespective of a handful of unfavourable conditions, the future appears bright for the Indian textile industry, which is set for strong growth, buoyed by massive domestic as well as export demand. Further, the growing Indian economy and rising disposable income will render a strong tailwind to the textile sector.

Your company is looking to grow selectively in high value added segments within textiles, for maximum capital efficiency as well as de-risked business model. It is moving steadily towards a verticalised setup of fabrics along with garmenting, which offers much better returns profile along with more robust business model.

In the near term, the impact of The Trans-Pacific Partnership Agreement

(TPPA) on the apparel exports from India remains to be seen. To pre-empt any loss of business and guard against increasing cost and falling margins in the mid-term, your Company has embarked on a strategic investment in Ethiopia by setting up garmenting factories to take advantage of lower labour cost, duty savings and lower shipment time to US markets.

#### Indian Apparel Retail Market

The Indian retail industry has emerged as one of the most dynamic and fast-paced industries due to the entry of several new players. According to IBEF, it accounts for over 10 percent of the country's Gross Domestic Product (GDP) and around 8 percent of the employment. India is the world's fifth-largest global destination in the retail space. India's retail market is expected to nearly double to USD 1 trillion by 2020 from USD 600 billion in 2015, driven by income growth, urbanisation and attitudinal shifts.

While the overall retail market is expected to grow at 12 percent per annum, modern trade is likely to expand twice as fast at 20 percent per annum and traditional trade at 10 percent. Retail spending in the top seven Indian cities amounted to USD 53.7 billion, with organised retail penetration at 19 percent as of 2014. Online retail is expected to be at par with the physical stores in the next five years.

Your company's strong portfolio of foreign brands allows it to offer consumers a whole range of products across all price segments. Our Power Brands like Arrow, US Polo Association, Tommy Hilfiger and Flying Machine continue to demonstrate rapid growth and are dominating their respective space. While, our growth brands like Nautika, Calvin Klein & Gant are poised to lead in the next growth phase. After the recent restructuring of Megamart operations, our value retail format, signs of higher operational efficiency are clearly visible. Your Company's specialty retail segment is growing stronger with brands like GAP, TCP, Sephora & Aeropostale.

#### E-Commerce

Over the last decade, the Internet has changed the way people buy and sell goods and services. Online retail or e-commerce is transforming the shopping experience of customers. The sector has seen unprecedented growth especially in the last two years. The adoption of technology is enabling the e-commerce sector to be more reachable and efficient. Devices like smartphones, tablets and technologies like 3G, 4G, Wi-Fi and high speed broadband is helping to increase the number of online customers. Banks and other players in e-commerce ecosystem are providing a secured online platform to pay effortlessly via payments gateways.

India is expected to become the world's fastest growing e-commerce market, driven by robust investment in the sector and rapid increase in the number of internet users. Morgan Stanley Research has revised its estimate of India's e-commerce market for 2020 from USD 102 billion to USD 119 billion.

Keeping in view the changing trend in consumer buying behavior and to positively gain from the rapid growth of e-commerce as a sales channel, your Company has recently launched India's first True Omni Channel Experience - NNNow.com. This new initiative is your Company's attempt to move away from the discount driven e-commerce market to a brand led shopping journey. We believe that NNNow.com will redefine shopping for Indian consumers by linking online and offline retail shopping experience. In the near future, the success of this initiative will unlock a huge market for our brands. It will not only provide a higher volume growth, but will also improve our overall operating margins in retail business in the near term.

## RESULT REVIEW

Your Company has been able to achieve a growth of 8% in Consolidated Revenues and 5% in Operating Earnings (excluding other income) before Interest Depreciation and Taxes (EBITDA). This has been achieved by a strong performance by Brands and Retail which grew by 16%. Consolidated PBT was higher by 5% and PAT was lower by 6% as compared to previous year due to higher taxation.

In FY16, the standalone performance of your Company has been constrained as compared to last year. We have closed the financial year 2015-16 with 3% growth in sales, 4% reduction in Operating Earnings (excluding other income) before Interest Depreciation and Taxes (EBITDA) and 10% reduction in PBT (excluding Exceptional Items).

## SUBSIDIARIES

### Overview of performance of Arvind Lifestyle Brands Limited:

Arvind Lifestyle Brands Limited (ALBL) has registered robust revenues growth of 15% during the year compared to the previous year.

During the year, 119 stores were added for Brands business, whereas 20 stores were introduced for specialty retail. The MegaMart model of business has undergone a facelift and re-christened as Unlimited. Under the new strategy, 48 stores have been reduced during the year. With this overall addition, the distribution strength of the ALBL businesses stands at 953 stores.

### Anup Engineering Limited

Anup Engineering Limited is engaged in engineering and fabrication business. The Company registered after tax profit of ₹ 24 Crores during the year compared to ₹ 18 Crores during the previous year.

### OUTLOOK

Your Company's future growth is built on two parallel growth drivers, domestic consumption in apparel & branded retail as well as large global opportunity in textiles & clothing world trade. The company is expected to

grow around 15%-16% at consolidated level in next 4-5 years. However, the growth shall be driven by its B2C business model. It is expected that B2C business shall constitute about 35% of revenue & about 30% of EBIDTA at the consolidated level.

In Brands & Retail space, your company has built a breakthrough growth portfolio of Power Brands & Specialty Retail. With such a strong portfolio of brands & retail format, your company is well poised to achieve CAGR of over 25% in next 4-5 years. To achieve this goal, the company is making category extension of its existing brands and rapid expansion of its distribution footprint. In next 4-5 years the company is planning to cover almost 300 cities with over 3 million square feet retail space.

In Textiles, the company is driving the growth through asset-light Garmenting Business as part of vertical integration strategy so as to capture entire value in textile chain. Building garmenting factories in Ethiopia will also enable your Company to compete more vigorously in the international market. Your Company is also expanding its knits fabrics capacities after having expanded woven fabric capacity in the recent times. It is expected that Textile Business shall continue to grow at 8%-9%.

Your company continues to build on to the Technical Textiles Business and is constantly looking for newer opportunities for joint venture with global companies who either bring the technology or access to international customers.

The recently launched online platform is the first major step forward in the Company's E-Commerce strategy. Your company is looking to develop multiple 'Differentiated Online Formats' to play in E-Commerce space.

For the financial year 2016-17, the revenue of the company at the consolidated level is expected to grow by around 12%-15% driven by around 20%-22% growth in Brands & Retail Business and growth of 8%-9% in Textile Business. The company is expecting that the weighted margins going forward will be slightly lower due to change in revenue mix in favour of Brands & Retail. Nevertheless, EBIDTA margin for Brands & Retail Business is also expected to improve by around 75 bps.

On the whole the outlook for the company continues to remain positive.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ARVIND LIMITED

## Report on the Financial Statements

We have audited the accompanying standalone financial statements of **ARVIND LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

## Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2016, and its profit and its cash flows for the year ended on that date.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF ARVIND LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Arvind Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

# Notes to financial statements

## 1. COMPANY BACKGROUND

Arvind Limited is one of India's leading vertically integrated textile companies with the presence of almost eight decades in this industry. It is among the largest denim manufacturers in the world. It also manufactures a range of cotton shirting, denim, knits and bottom weights (Khakis) fabrics and Jeans and Shirts Garments. Arvind, through its subsidiary company Arvind Lifestyle Brands Limited, is marketing in India the branded apparel under various brands and is also licensee in India for various international brands. The brands portfolio of the company includes International brands like Arrow, US Polo, Izod, Elle, Cherokee etc. It also operates apparel Value Retail stores MEGAMART. Arvind also has the presence in Telecom business directly and through joint venture companies. Recently Arvind has made foray in to Technical Textiles on its own and in joint venture with leading global players.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### (A) BASIS OF PREPARATION

These financial statements have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention on accrual basis (except so far as they relate to (a) revaluation of fixed assets and providing for depreciation on revalued amounts and (b) items covered under Accounting Standard (AS) – 30' on "Financial Instruments: Recognition and Measurement" which have been measured at their fair value). Indian GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

### (B) USE OF ESTIMATES

The preparation of Financial Statements in conformity with Indian GAAP requires the management to make estimates and assumptions in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known or materialize.

### (C) INFLATION

Assets and liabilities are recorded at historical cost to the Company (except so far as they relate to (a) revaluation of fixed assets and providing for depreciation on revalued amounts and (b) items covered under 'Accounting Standard (AS) – 30' on 'Financial Instruments: Recognition and Measurement' which have been measured at their fair value). These costs are not adjusted to reflect the changing value in the purchasing power of money.

### (D) REVENUE RECOGNITION

Sales and operating income includes sale of products, by-products and waste, income from job work services and gain or loss on forward contracts. Sales are recognized based on passage of title to goods

which generally coincides with dispatch and on transfer of all significant risk and rewards of ownership to the buyer. Revenue from export sales are recognized on shipment basis. The company presents sales net of returns, excise duty and Sales tax. Export incentives are accounted on accrual basis at the time of export of goods, if the entitlement can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

Revenue from job work services is recognized based on the services rendered in accordance with the terms of contracts.

Revenue in respect of projects for Construction of Plants and Systems, execution of which is spread over different accounting periods, is recognised on the basis of percentage of completion method in accordance with Accounting Standard 7 – Accounting for Construction Contracts. Percentage of completion is determined by the proportion that contract costs incurred for work done till date bears to the estimated total contract cost. Difference between costs incurred plus recognised profit/less recognised losses and the amount invoiced is treated as contract in progress. Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, relating to the percentage of completion, costs to completion, expected revenue from the contract and the foreseeable losses to completion.

Dividend is accounted for as and when right to receive payment is established.

Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

Profit or Loss on sale of investments is recorded on transfer of title from the Company, and is determined as the difference between the sale price and carrying value of investment and other incidental expenses.

Claims receivable on account of Insurance are accounted for to the extent the Company is reasonably certain of their ultimate collection.

### (E) VALUATION OF INVENTORY

The stock of Raw Material, Work-in-progress, Stock in trade and finished goods has been valued at the lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is measured on actual average for the year and includes cost of materials and cost of conversion.

All other inventories of stores, consumables, project material at site are valued at cost. The stock of waste is valued at market price. Excise duty wherever applicable is provided on finished goods lying within the factory and bonded warehouse at the end of the year.

### (F) FIXED ASSETS AND DEPRECIATION/AMORTISATION Tangible Assets

Fixed assets are stated at their original cost of acquisition/revalued cost wherever applicable less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition.

Subsequent expenditure related to an item of fixed assets are added to its book value only if they increase future benefits from the existing assets beyond its previously assessed standard of performance.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognised immediately in the Statement of Profit and Loss.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets are recognised in the Statement of Profit and Loss except to the extent such a loss is related to an increase which

was previously recorded as a credit to revaluation reserve and which has not been subsequently reversed or utilized, it is charged directly to that account. The amount standing in revaluation reserve following the retirement or disposal of an asset which relates to that asset is transferred to general reserve.

Exchange rate gain or loss on foreign currency loans related to acquisition of depreciable assets are being capitalized as per the notification dated 31<sup>st</sup> March, 2009 as amended from time to time issued by Ministry of Corporate Affairs, New Delhi.

Additions to fixed assets after 1<sup>st</sup> October 2006 have been stated at cost net of CENVAT wherever applicable.

Directly identifiable preoperative expenses of new projects of capital nature under implementation are carried forward under capital work-in-progress, pending capitalization.

### Intangible Assets

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses. An intangible asset is recognised, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its value/cost can be reliably measured.

The Company capitalizes software and related implementation costs where it is reasonably estimated that the software has an enduring useful life.

Gains or losses arising from disposal or retirement of intangible assets are recognised in the Statement of Profit and Loss.

### Depreciation of Tangible Assets

The carrying value of the tangible fixed assets as on April 1, 2014 is depreciated over remaining useful life of the assets based on independent technical evaluation carried out by external valuer.

Depreciation on additions to tangible fixed assets is provided on the straight line method over useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act 2013 except for Plant and Machinery other than Lab Equipments and Leasehold Improvements.

When parts of an item of Property, Plant and Equipment have different useful life, they are accounted for as separate items (Major Components) and are depreciated over the useful life respectively.

Depreciation on Plant and Machinery other than Lab Equipments and Leasehold Improvements is provided on straight line basis over the useful lives of the assets as estimated by management based on internal assessment. The management estimates the useful lives as follows:

Assets	Useful Life
Plant & Machinery other than Lab Equipments	20 Years
Leasehold Improvements	6 Years

The management believes that the useful life as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II to the Companies Act 2013.

Depreciation for assets purchased/sold during a period is proportionately charged for the period of use.

Depreciation on exchange rate difference capitalized is provided over the balance life of the assets as per the notification dated 31<sup>st</sup> March, 2009 as amended from time to time issued by the Ministry of Corporate Affairs.

### Amortisation of Intangible Assets

Software is amortized over management estimate of its useful life of 5 years or License Period whichever is lower and Patent/Knowhow is amortized over its useful validity period. Website is amortized over 5 years.

### (G) IMPAIRMENT OF ASSETS

An asset is considered as impaired in accordance with Accounting Standard 28 on Impairment of Assets when at balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

### (H) INVESTMENTS

Investments are classified as Long Term Investments and Current Investments. Long term investments are stated at cost less permanent diminution in value, if any. Current Investments are stated at lower of cost and fair value.

Investments in subsidiaries are valued at cost less any provision for impairment.

Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

Investment property: Investment in Land and buildings that are not intended to be occupied substantially for use by, or in the operations of the Company, have been classified as investment property. Investment properties are carried at cost less accumulated depreciation.

### (I) FOREIGN CURRENCY TRANSACTIONS

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

Foreign currency monetary items are restated using exchange rate prevailing at the reporting date.

Non-monetary foreign currency items are carried at cost.

The Company has opted to avail the choice provided under paragraph 46A of AS 11: The Effects of Changes in Foreign Exchange Rates inserted vide Notification dated December 29, 2011. Consequently, all long term foreign currency monetary items consisting of loans which relate to acquisition of depreciable capital assets at the end of the year have been restated at the rate prevailing at the balance sheet date. The difference arising as a result has been added to or deducted from the cost of the assets. Exchange rate difference on other long term foreign currency monetary items is carried to 'Foreign Currency Monetary Item Translation Difference Account' to be amortized up to the period of such foreign currency monetary items.

Any income or expense on account of exchange difference either on settlement or on translation other than as mentioned above is recognised in the Statement of Profit and Loss.

Expenses of overseas offices are translated and accounted at the monthly average rate.

### (J) DERIVATIVES & COMMODITY HEDGING TRANSACTIONS

The company uses forward contracts and options to hedge its risk associated with fluctuations in foreign currency relating to foreign currency assets and liabilities and highly probable forecast transactions. The use of aforesaid financial instruments is governed by the Company's overall risk management strategy. The Company neither holds nor issues any derivative financial instruments for speculative purposes.

Derivative financial instruments are initially recorded at their fair value on the date of the derivative transaction and are re-measured at their fair value at subsequent balance sheet dates.

Changes in the fair value of derivatives that are designated and qualify as cash flow hedges and are determined to be an effective hedge are recorded in hedging reserve account. To designate a forward contract or option as an effective hedge, management objectively evaluates and evidences with appropriate supporting documents at the inception of each contract whether the contract is effective in achieving offsetting cash flows attributable to hedged risk. Any cumulative gain or loss on the hedging instrument recognised in hedging reserve is kept in hedging reserve until the forecast transaction occurs or the hedged accounting is discontinued. Amounts deferred to hedging reserve are recycled in the Statement of Profit and Loss in the periods when the hedged item is recognised in the Statement of Profit and Loss or when the portion of the gain or loss is determined to be an ineffective hedge.

Derivative financial instruments that do not qualify for hedge accounting are marked to market at the balance sheet date and gains or losses are recognised in the Statement of Profit and Loss immediately.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised, or no longer qualifies for hedge accounting. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in hedging reserve is transferred to profit or loss for the year.

#### **(K) EMPLOYEE BENEFITS**

The Company has Defined Contribution Plans for post employment benefits namely Provident Fund and Superannuation Fund which are recognized by the Income Tax Authorities. These funds are administered through trustees and the Company's contributions thereto are charged to revenue every year. The Company also pays insurance premiums to fund a post-employment medical assistance scheme, a Defined Contribution Plan administered by ICICI Lombard General Insurance Company Limited which is charged to revenue every year. The Company's Contribution to State Plans namely Employee's State Insurance Fund and Employee's Pension Scheme are charged to revenue every year.

The Company has Defined Benefit Plans namely leave encashment/ compensated absences and Gratuity for all the employees, the liability for which is determined on the basis of an actuarial valuation at the year end and incremental liability, if any, is provided for in the books. The actuarial valuation is done based on Projected Unit Credit Method. Gratuity scheme is administered through trust recognised by the Income Tax Authorities and/or by Life Insurance Corporation of India.

Actuarial Gains and Losses comprise of experience adjustments and the effects of changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss as income or expense.

#### **(L) BORROWING COST**

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. It is calculated on the basis of effective interest rate in accordance with Accounting Standard (AS) -30 and considered as revenue expenditure and charged to Statement of Profit and Loss over the period of borrowing except for borrowing costs either generally or specifically attributed directly to the acquisition/improvement of qualifying assets up to the date when such assets are ready for intended use which are capitalised as a part of the cost of such asset.

#### **(M) LEASE ACCOUNTING**

Assets acquired under Finance Lease are segregated from the assets owned and recognized as asset at an amount equal to the fair value of the leased assets at the inception of the lease or the present value of the minimum lease payments whichever is lower with corresponding outstanding liability.

Lease rental payable on such finance lease has been apportioned between finance charge and the reduction in the outstanding liability. The finance charge has been allocated to periods during the lease term so as to produce constant periodic rate of interest on the remaining balance of liability for each period.

Lease Rentals for assets acquired under operating lease are recognised as an expense in Statement of Profit and Loss on a straight line basis over the lease term.

#### **(N) TAXES ON INCOME**

Tax expense consists of both current as well as deferred tax. Current tax represents amount of income tax payable including the tax payable u/s 115JB, if any, in respect of taxable income for the year.

Minimum Alternate Tax Credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax within the specified period. The said asset is created by way of a credit to the Statement of Profit and Loss and is shown as MAT Credit Entitlement.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts.

Deferred tax is recognised on timing difference between the accounting income and the taxable income for the year that originates in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax asset is recognised and carried forward to the extent that there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realized.

#### **(O) GOVERNMENT GRANTS AND SUBSIDIES**

Grants/Subsidies from the government are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grant/subsidy will be received.

When the grant/subsidy relates to revenue, it is recognised as income on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant/subsidy relates to an asset, it is shown as a deduction from the gross value of the asset concerned in arriving at its book value.

#### **(P) EARNING PER SHARE**

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Accounting Standard 20 on Earnings Per Share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of Equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

#### **(Q) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the accounts by way of a note. Contingent assets are neither recognized nor disclosed in the financial statements.

#### **(R) CAPITAL ISSUE EXPENSES**

Expenses on issue of Shares, Debentures and GDRs are being adjusted against Securities Premium Account as permitted by section 52 of the Companies Act, 2013.

### 36 Employee Share Based Payment:

- i The Company has formulated Employee Stock Option Scheme (ESOS 2008), the features of which are as follows :

Scheme	ESOS 2008 Tranche - III
Date of Grant	May 23, 2014
Number of options granted	1,050,000
Exercise Price per option	₹ 200.45
Vesting Period	At the end of 5 years from the date of grant Vesting is based on continued employment with the Company and fulfilment of performance parameters
Exercise Period	Within 3 years from the date of vesting
Method of settlement	Through allotment of one Equity Share for each option granted.

- ii Intrinsic Value Method has been used to account for the employee share based payment plans. The intrinsic value of each stock option granted under the ESOS 2008 plan is ₹ Nil since the market price of the underlying share at the grant date was same as the exercise price and consequently the accounting value of the option (compensation cost) is ₹ Nil.

## Notes to financial statements

### 42 Impairment of Fixed Assets

In accordance with the Accounting Standard (AS-28) on 'Impairment of Assets', the Company has reassessed its fixed assets and is of the view that no further impairment/reversal is considered to be necessary in view of its expected realisable value.

### 43 Early adoption of AS 30, Financial Instruments :Recognition and Measurement

- (a) Consequent to the Announcement of the Institute of Chartered Accountants of India (ICAI), the Company had chosen to early adopt 'Accounting Standard – 30, Financial Instruments: Recognition and Measurement' in its entirety, read with the clarification issued on application of AS -30. Accordingly, the Company has changed the designation and measurement of all its significant financial assets and liabilities. All the financial assets and financial liabilities and derivatives have been remeasured at their respective fair values or at amortized cost as against cost except for those items whose accounting treatment is covered by the existing accounting standards.
- (b) As a result, as on Balance Sheet date, Long Term Borrowings are lower by ₹ 6.51 Crores, (Previous year ₹ 6.98 Crores) and Hedge Reserve account is credited by ₹ 13.46 Crores (Previous year debited by ₹ 8.24 Crores) on account of fair valuation of outstanding derivatives.

### 44 Foreign Exchange Differences

As per the notification issued by the Ministry of Corporate Affairs dated 31<sup>st</sup> March, 2009 as amended from time to time, the Company had already exercised the option for accounting of exchange rate differences with effect from April 1, 2007.

Consequent to the adoption of that option:

- (a) Exchange rate differences of long-term foreign currency loans which are related to acquisition of depreciable fixed assets have been added to or deducted from the cost of the assets and depreciated over the balance life of the assets and;
- (b) Exchange rate differences on other long-term foreign currency loans have been transferred to 'Foreign Currency Monetary Item Translation Difference Account' to be amortized over the balance period of loans.

As a result:

- (a) An amount of ₹ 3.76 Crores being the exchange rate loss for the year (Previous year ₹ 2.84 Crores) has been adjusted against the fixed assets.
- (b) An amount of ₹ Nil being the exchange rate loss for the year (Previous year ₹ 3.88 Crores) remains to be amortized as at the balance sheet date.

- 45 Effective from April 1, 2014, the Company has revised useful lives of tangible fixed assets based on an independent evaluation. Accordingly, the carrying value of fixed assets as on that date, net of residual value, has been depreciated over the revised remaining useful lives. Further, an amount of ₹ 60.93 Crores (Net of deferred tax of ₹ 32.25 Crores) representing the carrying value of assets, whose

remaining useful life is Nil as at April 1, 2014, has been charged to general reserve pursuant to the provisions of the Companies Act, 2013 on April 1, 2014.

### 46 Scheme of Arrangement

- i A Composite Scheme of Arrangement ("the Scheme") in the nature of Demerger and transfer of Real Estate Undertaking of Arvind Limited ("the Company") to Arvind Infrastructure Limited ("AIL") and Restructuring of Share Capital, under sections 391 to 394 read with sections 78, 100 and 103 of the Companies Act, 1956 has been sanctioned by the High Court of Gujarat at Ahmedabad on April 22, 2015. The Scheme has become effective from the appointed date 1<sup>st</sup> April 2015.
- ii Pursuant to the Scheme, the Real Estate Undertaking stood demerged from the Company and transferred to and vested in AIL as a going concern with effect from the appointed date 1<sup>st</sup> April 2015. Upon the Scheme becoming effective:
  - a. From the appointed date, the assets and liabilities of the Real Estate Undertaking of the Company (Demerged Undertaking) have been transferred to AIL at their respective Book values.
  - b. AIL has credited its Share Capital Account with the aggregate face value of the equity shares issued 1 (One) fully paid Equity Shares of ₹ 10/- each of AIL for every 10 (Ten) fully paid up Equity Shares of ₹ 10/- each held by the shareholders of the Company.
  - c. The existing shares of AIL held by the Company and its nominees shall stand cancelled and the amount of such investment in the books of the Company shall be written off against the Securities Premium Account.
  - d. The amount of difference in the net value of assets transferred pursuant to the Scheme and the amount of consideration as issued, netted by existing share capital cancelled shall be adjusted against the Securities Premium Account.
- iii Pursuant to the Scheme, Demerged Undertaking has been demerged from the Company with effect from 1<sup>st</sup> April 2015, (the appointed date):
  - a. As on appointed date, all the assets and the liabilities have been transferred to AIL at their respective book values.

# INDEPENDENT AUDITOR'S REPORT To the Members of Arvind Limited

## Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of **Arvind Limited** (hereinafter referred to as "the Holding Company") and its subsidiary Companies (the Holding Company and its subsidiaries together referred to as "the Group") and its jointly controlled entities; comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

## Management's Responsibility for the Consolidated Financial Statements

The Board of Directors of the Holding Company is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

## Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and the matter which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Financial

Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and jointly controlled entities as at 31<sup>st</sup> March, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

## Emphasis of Matter

As mentioned in Note No. 36 in respect of early adoption of Accounting Standard (AS) – 30 on 'Financial Instruments: Recognition and Measurement' issued by the Institute of Chartered Accountants of India and the clarification issued on Application of AS 30, the Company has measured all its Financial Assets and Liabilities at their respective Fair Values or at Amortised Cost except for those items whose accounting treatment is covered by the existing accounting standards. Accordingly, the carrying amount of Long Term Borrowings would have been higher by ₹ 6.51 Crores (previous year ₹ 6.98 crores) and carrying value of Hedge Reserve would have been lower by ₹ 13.46 crores (previous year higher by ₹ 8.24 Crores).

Our opinion is not modified in respect of this matter.

## Other Matter

- (a) We did not audit the financial statements of 6 subsidiary companies, and 2 joint controlled entities, whose financial statements reflect total assets of ₹ 319.36 Crores as at 31<sup>st</sup> March, 2016, total revenues of ₹ 180.63 Crores and net cash flows amounting to ₹ 2.87 Crores for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entities, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and jointly controlled entities, is based solely on the reports of the other auditors.
- (b) We did not audit the financial statements of 3 subsidiary companies, 3 jointly controlled entities and 1 limited liability partnership entity, whose financial statements reflect total assets of ₹ 299.65 Crores as at 31<sup>st</sup> March, 2016, total revenues of ₹ 246.22 Crores and net cash outflows amounting to ₹ 4.33 Crores for the year ended on that date, as considered in the Consolidated Financial Statements. These

financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entities, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries and jointly controlled entities, is based solely on such unaudited financial statements.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
  - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
  - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
  - (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Accounting Standard (AS) – 30 on ‘Financial Instruments: Recognition and Measurement’ issued by the Institute of Chartered Accountants of India (ICAI);
  - (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2016 and

Ahmedabad  
May 12, 2016

taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and jointly controlled companies incorporated in India, none of the directors of the Group companies and jointly controlled companies incorporated in India is disqualified as on 31<sup>st</sup> March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our report in “Annexure A”; and
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and jointly controlled entities– Refer Note 19 to the Consolidated Financial Statements.
  - ii. Provision has been made in the Consolidated Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies and jointly controlled companies incorporated in India.

## ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ARVIND LIMITED

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Arvind Limited ("the holding Company") and its subsidiary companies and its jointly controlled entities which are companies incorporated in India, for the year ended March 31, 2016 in conjunction with our audit of the Consolidated Financial Statements of the Company.

#### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company, its subsidiary companies and jointly controlled entities, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's

internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Holding Company, its subsidiary companies and jointly controlled entities, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

## Notes to consolidated financial statement:

### 1. BASIS OF CONSOLIDATION

#### Basis

- (i) The Consolidated Financial Statements have been prepared in accordance with Accounting Standard – 21 on “Consolidated Financial Statements” and Accounting Standard – 27 on “Financial Reporting of Interest in Joint Ventures and relevant clarifications issued by the Institute of Chartered Accountants of India. The Consolidated Financial Statements comprise the financial statements of Arvind Limited, its Subsidiaries and Joint Venture Entities (collectively referred to as “the Group”).
- (ii) The Notes and Significant Accounting Policies to the Consolidated Financial Statements are intended to serve as a guide for better understanding of the Group’s position. In this respect, the Company has disclosed such notes and policies, which represent the needed disclosure.

#### Principles

- (i) Subsidiaries are consolidated from the date on which control is transferred to the group and are not consolidated from the date that control ceases. The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions and unrealised profits or losses are fully eliminated.
- (ii) The difference between cost to the Company of its investments in the subsidiary companies and its share of the equity of the subsidiary companies, at each point of time of making the investments in the subsidiary companies are made, is recognised as Goodwill or Capital Reserve as the case may be.
- (iii) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity subsequent to the dates of investments.
- (iv) In case of Foreign Subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and Liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on translation is accumulated in a “Reserve on Exchange Rate Fluctuation” in the Balance Sheet.
- (v) The Company’s interest in the Joint Ventures has been consolidated on line to line basis by adding together the value of assets, liabilities, income and expenses, after eliminating the unrealised profits/losses of intra group transactions. Joint Venture accounts have been included in segment to which they relate.
- (vi) Investments in Associates have been accounted for by using the equity method of accounting whereby the investment is initially recorded at cost, identifying any goodwill/capital reserve arising at the time of acquisition. The carrying amount of investment is adjusted thereafter for the post acquisition change in the investor’s share of net asset of the investee.
  - a. The List of Subsidiaries included in the Consolidated Financial Statements are as under :

3	Arvind Worldwide (M) Inc.	Mauritius	100%

## 2. SIGNIFICANT ACCOUNTING POLICIES

### (A) BASIS OF PREPARATION

These Consolidated Financial Statements have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention on accrual basis (except so far as they relate to (a) revaluation of fixed assets and providing for depreciation on revalued amounts and (b) items covered under 'Accounting Standard (AS) - 30' on 'Financial Instruments: Recognition and Measurement' which have been measured at their fair value). Indian GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Accounts of the foreign subsidiaries have been prepared in accordance with local laws and applicable accounting standard/generally accepted accounting principles.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - noncurrent classification of assets and liabilities.

A summary of applicable accounting policies which have been applied consistently are set out below.

### (B) USE OF ESTIMATES

The preparation of Consolidated Financial Statements in conformity with Indian GAAP requires the management to make estimates and assumptions in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known or materialize.

### (C) INFLATION

Assets and liabilities are recorded at historical cost to the Company (except so far as they relate to (a) revaluation of fixed assets and providing for depreciation on revalued amounts and (b) items covered under 'Accounting Standard (AS) - 30' on 'Financial Instruments: Recognition and Measurement' which have been measured at their fair value). These costs are not adjusted to reflect the changing value in the purchasing power of money.

### (D) REVENUE RECOGNITION

Sales and operating income includes sale of products, by-products and waste, income from job work services and gain or loss on forward contracts. Sales are recognised based on passage of title to goods which generally coincides with dispatch and on transfer of all significant risk

and rewards of ownership to the buyer. Revenue from export sales are recognised on shipment basis. Sales are stated net of returns, excise duty & Sales Tax/VAT. Export incentives are accounted on accrual basis at the time of export of goods, if the entitlement can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

Retail sales and revenues are recognised on delivery of the merchandise to the customer, when the property in the goods is transferred for a price, when significant risks and rewards have been transferred and no effective ownership control is retained. Sales are net of discount. Sales tax and VAT are reduced from Retail Turnover.

The property in the merchandise of third party consignment stock does not pass to the Company. Since, however, the sale of such stock forms a part of the activities of the Company's departmental stores, the gross sales values and cost of the merchandise are displayed separately in the Statement of Profit and Loss.

In respect of gift vouchers and point award schemes operated by the Company, sales are recognised when the gift vouchers or points are redeemed and the merchandise is sold to the customer.

Revenue from store displays and sponsorships are recognised based on the period for which the products or the sponsors' advertisements are promoted/ displayed. Facility management fees are recognised pro-rata over the period of the contract.

Revenue from job work services and Rental Income are recognised based on the services rendered in accordance with the terms of contracts.

Revenue in respect of projects for Construction of Plants and Systems, execution of which is spread over different accounting periods, is recognised on the basis of percentage of completion method in accordance with Accounting Standard 7 – Accounting for Construction Contracts. Percentage of completion is determined by the proportion that contract costs incurred for work done till date bears to the estimated total contract cost. Difference between costs incurred plus recognised profit / less recognised losses and the amount invoiced is treated as contract in progress. Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, relating to the percentage of completion, costs to completion, and the expected revenue from the contract and the foreseeable losses to completion.

Rental income from radio sets and Annual Maintenance Contracts are recognised proportionately over the period of the contract.

Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend is accounted for as and when right to receive payment is established.

Profit or Loss on sale of investments is recorded on transfer of title from the Company, and is determined as the difference between the sale price and carrying value of investment and other incidental expenses.

Claims receivable on account of Insurance are accounted for to the extent the Company is reasonably certain of their ultimate collection.

## **(E) VALUATION OF INVENTORY**

The stock of Work-in-progress, Stock in trade and finished goods has been valued at the lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is measured on actual average/FIFO basis as applicable for the year and includes cost of materials and cost of conversion.

All other inventories of stores, consumables, project material at site are valued at cost. The stock of waste is valued at market price. Excise duty wherever applicable is provided on finished goods lying within the factory and bonded warehouse at the end of the year.

Merchandise received under consignment and concessionaire arrangements belong to the consignors/concessionaires and are therefore excluded from the Company's inventories.

Direct expenditure relating to development of project is inventorised. Indirect expenditure during the period of project is inventorised to the extent the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to revenue.

Unsold Developed Plots and Units have been valued at lower of cost or realizable value.

## **(F) FIXED ASSETS**

### **Tangible Assets**

Fixed assets are stated at their original cost of acquisition or construction / revalued amount wherever applicable less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition and includes all expenses incurred up to the date of launching new stores to the extent they are attributable to the new store.

Subsequent expenditure related to an item of fixed assets are added to its book value only if they increase future benefits from the existing assets beyond its previously assessed standard of performance.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net

realisable value and are shown separately in the financial statements. Any expected loss is recognised immediately in the Statement of Profit and Loss.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets are recognised in the Statement of Profit and Loss except to the extent such a loss is related to an increase which was previously recorded as a credit to revaluation reserve and which has not been subsequently reversed or utilized, it is charged directly to that account. The amount standing in revaluation reserve following the retirement or disposal of an asset which relates to that asset is transferred to general reserve.

Exchange rate gain or loss on foreign currency loans related to acquisition of depreciable assets are being capitalized as per the notification dated 31<sup>st</sup> March, 2009 as amended from time to time issued by Ministry of Corporate Affairs, New Delhi.

Additions to fixed assets after 1<sup>st</sup> October 2006 have been stated at cost net of CENVAT wherever applicable.

Directly identifiable preoperative expenses of new projects of capital nature under implementation are carried forward under capital work-in-progress, pending capitalization.

### Intangible Assets

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses. An intangible asset is recognised, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its value/cost can be reliably measured.

The Company capitalizes software and related implementation costs where it is reasonably estimated that the software has an enduring useful life.

Directly identifiable preoperative expenses of new projects of capital nature under implementation are carried forward under capital work-in-progress, pending capitalization.

Gains or losses arising from disposal or retirement of intangible assets are recognised in the Statement of Profit and Loss.

### (G) Depreciation of Tangible Assets

#### For Arvind Limited and Arvind Lifestyle Brands Limited:

The carrying value of the tangible fixed assets as on April 1, 2014 is depreciated over remaining useful life of the assets based on independent technical evaluation carried out by external valuer.

Depreciation on addition to tangible fixed assets is provided on the straight line method over useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act 2013 except for certain class of assets as mentioned below.

Depreciation on assets having useful life other than as prescribed under Part C of Schedule II to the Companies Act 2013 is provided on straight line basis over the useful lives of the assets as estimated by management based on internal assessment. The management estimates the useful lives as follows:

#### For Arvind Limited:

Assets	Useful Life
Plant and Machinery other than Lab Equipments	20 Years
Leasehold Improvements	6 Years

#### For Arvind Lifestyle Brands Limited:

Assets	Useful Life
Furniture and Fixtures	6 Years
Leasehold Improvements	6 Years
Plant and Machinery	5 Years
Vehicles	4 Years

The management believes that the useful life as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II to the Companies Act 2013. When the Parts of Tangible Fixed Assets have different useful life, they are accounted for as separate items (Major Components) and are depreciated over the useful life as assigned respectively.

#### For Other Companies and LLPs:

The carrying value of the tangible fixed assets as on April 1, 2014 is depreciated over remaining useful life of the assets specified in Part C of Schedule II to the Companies Act 2013 read with the relevant notifications issued by the Department of Company affairs.

Depreciation on addition to tangible fixed assets is provided on the straight line method over useful lives of the assets as prescribed under Part C of Schedule II to the Companies Act 2013.

#### **For Foreign Subsidiaries**

In the case of foreign subsidiaries, depreciation has been provided as per the rates permitted under the local laws/ at such rate so as to write off the assets over its useful life.

#### **Other Matters**

Premium on Leasehold Land is amortized over the period of Lease.

Depreciation for assets purchased/sold during a period is proportionately charged for the period of use.

Depreciation on exchange rate difference capitalized is provided over the balance life of the assets as per the notification dated 31<sup>st</sup> March, 2009 as amended from time to time issued by the Ministry of Corporate Affairs.

#### **Amortisation of Intangible Assets**

Software is depreciated over management estimate of its useful life of 3 to 5 years or License Period whichever is lower and Patent/Knowhow and Trademark is depreciated over its useful validity period. Website is amortized over 5 years.

Job Workers' Network Value, Vendors' Network Value and Distribution Network Value have been amortized on Straight Line basis over the period of five years. Value of License Brands and Brand Value have been amortized in the ratio of revenue expected to be generated from these brands over the period of ten years.

### **(H) IMPAIRMENT OF ASSETS**

An asset is considered as impaired in accordance with Accounting Standard 28 on Impairment of Assets when at balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased.

### **(I) INVESTMENTS**

Investments are classified as Long Term Investments and Current Investments. Long term investments are stated at cost less permanent diminution in value, if any. Current Investments are stated at lower of cost and fair value.

Investments in subsidiaries which are not consolidated are valued at cost less any provision for impairment.

Investments are reviewed for impairment if events or changes in circumstances indicate that the carrying amount may not be recoverable.

**Investment Property:** Investment in Land and buildings that are not intended to be occupied substantially for use by, or in the operations of the Company, have been classified as investment property. Investment properties are carried at cost less accumulated depreciation.

### **(J) FOREIGN CURRENCY TRANSACTIONS**

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

Foreign currency monetary items are restated using exchange rate prevailing at the reporting date.

Non-monetary foreign currency items are carried at cost.

The Company has opted to avail the choice provided under paragraph 46A of AS 11: The Effects of Changes in Foreign Exchange Rates inserted vide Notification dated December 29, 2011. Consequently, all long term foreign currency monetary items consisting of loans which relate to acquisition of depreciable capital assets at the end of the year have been restated at the rate prevailing at the balance sheet date. The difference arising as a result has been added to or deducted from the cost of the assets. Exchange rate difference on other long term foreign currency monetary items is carried to 'Foreign Currency Monetary Item Translation Difference Account' to be amortized up to the period of such foreign currency monetary items

Any income or expense on account of exchange difference either on settlement or on translation other than as mentioned above is recognised in the Statement of Profit and Loss.

Expenses of overseas offices are translated and accounted at the monthly average rate.

### **(K) DERIVATIVES & COMMODITY HEDGING TRANSACTIONS**

#### **For Arvind Limited**

In order to hedge its exposure to foreign exchange, interest rate and commodity price risks, the Company enters into forward, option, swap contracts and other derivative financial instruments. The Company neither holds nor issues any derivative financial instruments for speculative purposes.

Derivative financial instruments are initially recorded at their fair value on the date of the derivative transaction and are re-measured at their fair value at subsequent balance sheet dates.

Changes in the fair value of derivatives that are designated and qualify as cash flow hedges and are determined to be an effective hedge are recorded in hedging reserve account. To designate a forward contract or option as an effective hedge, management objectively evaluates and evidences with appropriate supporting documents at the inception of each contract whether the contract is effective in achieving offsetting cash flows attributable to hedged risk. Any cumulative gain or loss on the hedging instrument recognised in hedging reserve is kept in hedging reserve until the forecast transaction occurs or the hedged accounting is discontinued. Amounts deferred to hedging reserve are recycled in the Statement of Profit and Loss in the periods when the hedged item is recognised in the Statement of Profit and Loss or when the portion of the gain or loss is determined to be an ineffective hedge.

Derivative financial instruments that do not qualify for hedge accounting are marked to market at the balance sheet date and gains or losses are recognised in the Statement of Profit and Loss immediately.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised, or no longer qualifies for hedge accounting. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in hedging reserve is transferred to profit or loss for the year.

#### **For Others**

The premium or discount arising at the inception of forward exchange contracts entered into to hedge an existing asset/liability, is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rates change.

Any profit or loss arising on cancellation or renewal of such a forward exchange contract are recognised as income or as expense for the period.

Forward exchange contracts outstanding as at the year end on account of firm commitment / highly probable forecast transactions are marked to market and the losses, if any, are recognised in the Statement of Profit and Loss and gains are ignored in accordance with the Announcement of Institute of Chartered Accountants of India on 'Accounting for Derivatives'.

### **(L) EMPLOYEE BENEFITS**

The Company has Defined Contribution Plans for post employment benefits namely Provident Fund and Superannuation Fund which are recognised by the Income Tax Authorities. These funds are administered through trustees and the Company's contributions thereto are charged to revenue every year. The Company also pays insurance premiums to fund a post-employment medical assistance scheme, a Defined Contribution Plan administered by ICICI Lombard General Insurance Company Limited which is charged to revenue every year. The Company's Contribution to State Plans namely Employee's State Insurance Fund and Employee's Pension Scheme are charged to revenue every year.

The Company has Defined Benefit Plans namely leave encashment/ compensated absences and Gratuity for all the employees, the liability for which is determined on the basis of an actuarial valuation at the year end and incremental liability, if any, is provided for in the books. The actuarial valuation is done based on Projected Unit Credit Method. Gratuity scheme is administered through trust recognised by the Income Tax Authorities and / or by LIC.

Actuarial Gains and Losses comprise of experience adjustments and the effects of changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss as income or expense.

### **(M) BORROWING COST**

#### **For Arvind Limited**

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. It is calculated on the basis of effective interest rate in accordance with Accounting Standard (AS) -30 and considered as revenue expenditure and charged to Statement of Profit and Loss over the period of borrowing except for borrowing costs either generally or specifically attributed directly to the acquisition/ improvement of qualifying assets up to the date when such assets are ready for intended use which are capitalised as a part of the cost of such asset.

#### **For Others**

Borrowing costs includes interest, fees and other charges incurred in connection with the borrowing of funds and is considered as revenue expenditure for the year in which it is incurred except for borrowing costs attributed to the acquisitions/improvement of qualifying capital asset and incurred till the commencement of commercial use of the asset and which is capitalised as cost of that asset.

### **(N) LEASE ACCOUNTING**

Assets acquired under Finance Lease are segregated from the assets owned and recognised as asset at an amount equal to the fair value of the leased assets at the inception of the lease or the present value of the minimum lease payments whichever is lower with corresponding outstanding liability.

Lease rental payable on such finance lease has been apportioned between finance charge and the reduction in the outstanding liability. The finance charge has been allocated to periods during the lease term so as to produce constant periodic rate of interest on the remaining balance of liability for each period.

Lease Rentals for assets acquired under operating lease are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the lease term.

#### **(O) TAXES ON INCOME**

Tax expense consists of both current as well as deferred tax. Current tax represents amount of income tax payable including the tax payable u/s 115JB, if any, in respect of taxable income for the year.

Minimum Alternate Tax Credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax within the specified period. The said asset is created by way of a credit to the Statement of Profit and Loss and is shown as MAT Credit Entitlement.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts.

Deferred tax is recognised on timing difference between the accounting income and the taxable income for the year that originates in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are recognised and carried forward to the extent that there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

#### **(P) GOVERNMENT GRANTS AND SUBSIDIES**

Grants/Subsidies from the government are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grant/subsidy will be received.

When the grant/subsidy relates to revenue, it is recognised as income on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant/subsidy relates to an asset, it is shown as a deduction from the gross value of the asset concerned in arriving at its book value.

#### **(Q) EARNING PER SHARE**

The Company reports basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard 20 on Earnings per Share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of Equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

#### **(R) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the accounts by way of a note. Contingent assets are neither recognised nor disclosed in the financial statements.

#### **(S) CAPITAL ISSUE EXPENSES**

Expenses on issue of Shares, Debentures and GDRs are being adjusted against Share Premium Account as permitted by section 52 of the Companies Act, 2013.

#### **(T) ACCOUNTING FOR JOINT VENTURE**

Accounting for Joint Venture has been done as follows:

Type of Joint Venture	Accounting Treatment
Jointly Controlled Entity	Company's share of profit or loss is accounted on determination of profit or loss by the Joint Ventures.

Joint Venture interests accounted as above have been included in segments to which it relates.

## 35 Impairment of Fixed Assets

In accordance with the Accounting Standard (AS -28) on 'Impairment of Assets', the Company has reassessed its fixed assets and is of the view that no further impairment/reversal is considered to be necessary in view of its expected realisable value.

## 36 Early adoption of AS 30, Financial Instruments :Recognition and Measurement

- (a) Consequent to the Announcement of the Institute of Chartered Accountants of India (ICAI), the Company had chosen to early adopt 'Accounting Standard - 30, Financial Instruments: Recognition and Measurement' in its entirety, read with the clarification issued on application of AS -30. Accordingly, the Company has changed the designation and measurement of all its significant financial assets and liabilities. All the financial assets and financial liabilities and derivatives have been remeasured at their respective fair values or at amortized cost as against cost except for those items whose accounting treatment is covered by the existing accounting standards.
- (b) As a result, as on Balance Sheet date, Long Term Borrowings are lower by ₹ 6.51 Crores, (Previous year ₹ 6.98 Crores) and Hedge Reserve account is credited by ₹ 13.46 Crores (Previous year debited by ₹ 8.24 Crores) on account of fair valuation of outstanding derivatives.

## 37 Foreign Exchange Differences

As per the notification issued by the Ministry of Corporate Affairs dated 31<sup>st</sup> March, 2009 as amended from time to time, the Company had already exercised the option for accounting of exchange rate differences with effect from April 1, 2007. Consequent to the adoption of that option:

- (a) Exchange rate differences of long-term foreign currency loans which are related to acquisition of depreciable fixed assets have been added to or deducted from the cost of the assets and depreciated over the balance life of the assets and;
- (b) Exchange rate differences on other long-term foreign currency loans have been transferred to 'Foreign Currency Monetary Item Translation Difference Account' to be amortized over the balance period of loans.

As a result:

- (a) An amount of ₹ 3.76 Crores being the exchange rate loss for the year (Previous year ₹ 2.84 Crores) has been adjusted against the fixed assets.
- (b) An amount of ₹ Nil being the exchange rate loss for the year (Previous year ₹ 3.88 Crores) remains to be amortized as at the balance sheet date.

## Notes to Consolidated Financial Statements

**38** Effective from April 1, 2014, the Company has revised useful lives of tangible fixed assets based on an independent evaluation. Accordingly, the carrying value of fixed assets as on that date, net of residual value, has been depreciated over the revised remaining useful lives. Further, an amount of ₹ 95.24 Crores (Net of deferred tax of ₹ 48.62 Crores) representing the carrying value of assets, whose remaining useful life is Nil as at April 1, 2014, has been charged to general reserve pursuant to the provisions of the Companies Act, 2013 on April 1, 2014.
