Dear Sirs,

Pursuant to Regulation 30(4) of the Listing Regulations and the Company's policy for determination of materiality of events, we hereby report that basis the order of the Honorable Gujarat High Court to close all the units discharging water effluent in the sewage lines of Ahmedabad Municipal Corporation (AMC), the effluent discharge connection of about 141 units including that of Ankur unit of the company were disconnected. Ankur unit has requisite approvals from relevant authorities to discharge treated industrial effluent. The company has filed a petition in the High Court against such closure and next hearing is likely to take place on 3<sup>rd</sup> December, 2021.
