To the Partners / Shareholders
ARVIND ENTERPRISES (FZC)
SAIF ZONE SHARJAH - UAE

Opinion

We have audited the accompanying financial statements of **ARVIND ENTERPRISES (FZC)**, **SAIF ZONE SHARJAH - UAE** which comprise the statement of financial position as at **31 March 2022** and the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information contained in notes set out on pages 4 to 16.

In our opinion, the accompanying financial statements present fairly, the financial position of the Company as of **31 March 2022** and its / their financial performance and its / their cash flows for the year then ended in accordance with the International Financial Reporting Standards.

Going Concern

The Company's financial statements have been prepared using the going concern basis of accounting. The use of this basis of accounting is appropriate unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. As part of our audit of the financial statements, we have concluded that management's use of the going concern basis of accounting in the preparation of the Company's financial statements is appropriate.

Management has not identified a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern, and accordingly none is disclosed in the financial statements. Based on our audit of the financial statements, we also have not identified such material uncertainty. However, neither management nor the auditor can guarantee the Company's ability to continue as a going concern.

Responsibilities of Management and Those Charged with Governance [Common for Modified Opinion]

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and its preparation in compliance with the applicable provisions of the UAE Federal Law No. (2) of 2015 or the Implementing Regulations of Economic Development Department , Memorandum & Articles of Association of the Company and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Management and those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

The objective of our audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue the auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Report on Other Legal and Regulatory Requirements (if applicable)

As required by the UAE Federal Law No. (2) of 2015 on Commercial Companies [Implementing Regulations as appropriate] We further report that:

- i) We have obtained all the information and explanations as we considered necessary for the purpose of our audit;
- ii) The financial statements have been prepared and comply, in all material respects, with the applicable provisions of the UAE Federal Law No. (2) of 2015;
- iii) Proper books of account have been kept by the Company;
- iv) The financial information contained in the Director's report, in so far as it relates to these financial statements is consistent with the books of account of the Company;
- v) Based on the information that has been made available to us nothing has come to our attention which causes us to believe that the Company has contravened during the financial **31 March 2022** under audit any of the applicable provisions of the UAE Federal Law No. (2) of 2015 [or Laws / Implementing Regulations of Economic Development Department of UAE and the Memorandum [and Articles] of Association of the Company have occurred during the year, which would have had a material effect on the business of the Company or on its financial position as at **31 March 2022**.

ARVIND ENTERPRISES (FZC)

Notes to the accounts - for the year ended 31 March 2022

2 Significant Accounting Policies : (cont.. page 8)

Lease effective from 1 January 2019

IFRS 16 changes the guidance of existing leases IAS 17 Leases, IFRIC 4 Determining whether an arrangement contains a Lease, SIC-15 Operating Leases Incentives, and SIC-27 evaluating the substance of transactions involving the legal form of a lease. The new standard introduces significant changes to the lessee accounting by removing the distinction between operating and finance leases and it recognise, measure, present and disclose leases. The standard provides a single lessee accounting model, requiring lessee to recognize right-of-use asset and a lease liability at the lease commencement for all leases unless the lease term is 12 months or less or the underlying assets has a low value. Lessors continue to classify leases as operating or finance which is substantially unchanged from IAS 17.

The adoption of IFRS 16 did not have any significant impact on the company's financial positions and results of operations for the year ended 31 March 2022, or on the opening retained earning as the lease arrangements in which the company is lessee is of short term in nature.

Property, Plant & Equipment

Inventory

Inventories have been valued at lower of cost and net realizable value. Cost is determined by using first in first out method. Cost included purchases value and all expenses incurred in bringing the inventories at their present location and conditions. Net realizable value is based on the normal selling price, less cost expected to be incurred on disposal. Provision is made where necessary for obsolete, slow-moving and damaged items.

Trade receivables

Trade receivables are amounts receivable from customers for sale of goods or services in the ordinary course of business or profession. Trade receivables if recoverable within the following year is shown under current assets else, shown under non current assets.

Bad debts are accounted for when there is a default from customer and all means of recovery has failed. A provision has been made in these accounts for bad and doubtful debts, if any. Trade receivables denominated in foreign currency, are translated into AED at the exchange rate at the reporting date, and the difference, if any are transferred to foreign currency exchange loss or gain.

18 Financial instruments

Financial instruments comprises of financial assets and financial liabilities. Financial assets and financial liabilities are recognized on the company's balance sheet when it has become a party to the contractual provisions of the instrument. A financial asset is any asset that is cash, contractual right to receive cash or other financial assets, a contractual right to exchange financial instruments under conditions that are potentially favourable or any equity instrument. A financial liability is any liability that is a contractual obligation to deliver cash or another financial asset, or to exchange financial instruments under conditions that are potentially unfavourable. The fair value of financial assets and financial liabilities equals their carrying values.

19 Risk management :

Credit risk

The company's exposure to credit risk is concentrated on bank balances, trade receivables, supplier advances and other advances and deposits.

The company's bank accounts are with local branches of banks operating in the U.A.E. Trade receivables are stated at realizable value net of allowance and bad debts. Supplier advances are on open accounts without security. The management confirms that the suppliers are regular. Deposits with government departments are refundable and secured and other deposits are miscellaneous refundable deposits.

Interest risk

The bank borrowings consist of term loans, overdraft and trust receipts. Interest on term loans is at a fixed rate for the entire period of the loan. Interest on bank overdraft and trust receipt is minimal.

Fair values

At the balance sheet date, the fair values of financial assets and liabilities, if any, approximate to their carrying amounts and have been very carefully scrutinized by the management for their correctness.

20 Related party transaction

The company has, in the ordinary course of business, entered into financial transactions with concerns which fall within the definition of "related parties" as contained in IAS 24. The management believes that the terms of such transactions are not materially different from those that could have been obtained from the unrelated parties.
