## Application of new accounting standard <br> Ind AS 115 - Revenue from contracts with Customers

IndAS 115-a new accounting standard on revenue recognition w.e.f. April 1, 2018

- Principle changed from "transfer of risk \& rewards" to "transfer of control".
- Applied the retrospective approach and hence the financial statement of Q1FY18 have also been reinstated.
- Key impact of applying new accounting standard:
