## **Arvind Ltd. Appoints Saurabh Jain as Chief Financial Officer (Garment)**

**Ahmedabad, November 28, 2025:** Arvind Limited, the textile-to-technology conglomerate, has appointed Saurabh Jain as Chief Financial Officer (CFO) for its garment business. In addition to fabrics, Arvind produces a diverse range of garments for leading global companies. Saurabh will lead the finance agenda across this business. He will drive cost rationalization and structural margin improvement to strengthen profitability, embedding financial discipline and robust risk management frameworks across operations to enhance resilience. Furthermore, he will accelerate digital finance transformation for sharper insights and agile decision-making and build a strong finance leadership bench for seamless collaboration across the garment business.

Welcoming him to the organization, Mr. Nigam Shah, CFO, Arvind Ltd., said, “Saurabh’s proven track record and multi-industry experience will be instrumental in strengthening our Garments business. His leadership will help us accelerate transformation and deliver sustainable value to all stakeholders.”

Speaking on his new role, Saurabh Jain said, “I am excited to begin this new chapter with Arvind, an organization that blends innovation, heritage, and purpose. I look forward to driving financial excellence and transformation across the Garments business.”

Saurabh brings over 17 years of diverse leadership experience spanning textiles, manufacturing, retail, e-commerce, IT, real estate, and insurance. He has played a pivotal role in shaping financial strategies, driving operational excellence, and enabling business transformation. His expertise covers financial planning & accounting, automation and digitization, turnaround strategies, credit financing, change management, and performance improvement. Before joining Arvind, Saurabh served as the Vice President Finance - Enterprise Operations at Welspun Living Ltd.

An alumnus of ISB and IIT Kanpur, Saurabh combines strategic insight with execution excellence. He is passionate about driving business growth, digital finance transformation, and building high-performing teams.
