

Reena Bhagwati

Independent Director

Reena Bhagwati holds an MBA from Carnegie Mellon University, USA. She serves as a director in the engineering companies of the Bhagwati Group, including Bhagwati Autocast Limited, Bhagwati Spherocast Private Limited, and Bhagwati Filters Private Limited.

She has played a pivotal role in steering the Bhagwati Group by providing strategic, fiscal, and operational leadership. Under her guidance, the group companies have achieved consistent and noteworthy growth. Beyond her business responsibilities, Ms. Bhagwati runs her own NGO and is actively engaged in various philanthropic initiatives.

Ms. Bhagwati has held several prominent professional positions. She served as the President of the Institute of Indian Foundrymen (IIF) during 2013–14, Chairperson of the Confederation of Indian Industry (CII) Gujarat State Council during 2016–17, and Gujarat State Representative in the CII Western Regional Council for 2022–23. She continues to serve as Gujarat State Representative in the CII Western Regional Council.
